Mr. Tigue,

Your written objections have been received by the city clerk and made part of the record for the committee members. You note that neither you or the license applicant can be present at the hearing scheduled for tomorrow afternoon. I wanted to confirm with you that the hearing will proceed absent a specific request made by you for a continuance which would have to be granted by the committee, and also that you or the licensee are free to send any other representative to appear on behalf of the applicant, should you so desire.

Thank you,

Joel Fussy
