Dear: Ms. Hicks

Your claim against the City of Minneapolis has been reviewed by the Staff Claims Committee. Your vehicle was cited and towed Per Statute 478.90(p) parked where temporary no parking signs were posted. There were 3 signs posted. Signs were posted on 4/29/2015 by 8:02 am; your vehicle was ticketed on 4/30/2015 at 9:48 am. The required 24 hour notice was given. Based on the information gathered we have found no evidence of negligence with respect to the City or its staff. In the absence of negligence, we are unable to recommend payment of your claim. If you dispute this finding, you may request an appeal to the Council Claims Committee by calling Bonnie at (612) 673-2061 or you may file a court action depending on the nature of your claim.

Sincerely,

Evaluation Sheet for Claim #GC2015043502

Date Recommended: 6/4/15

Investigator: Tami Gagnon

Claimant: Stacey Hicks
8842 Danton Way
Eden Prairie, MN 55347

Date of Loss: 4/30/15

Date Filed: 5/4/15

Department: Traffic Control

Citation #: 271115385682

Cause: Tow

Amount claimed: $138.00

Evaluation: On April 30, 2015 Ms. Hicks had her vehicle parked at 711 – 11th Ave S and was issued a citation by a Traffic Control Agent, Officer ID 53, for Parked where temporary no park signs (Ordinance 478.90 (p)), which resulted in a tow.

Ms. Hicks claims that when she parked at this location there were no signs posted and since the meter allowed her to plug it, she should not have been towed.

Verification has been received however that indicates this street was posted on 4/29/15 by 8:02 a.m.; therefore posted within the required timeline (24 hours).

Therefore this was a proper tow

Is the city liable? NO.

CIRCUMSTANCES (DETAILS OF HOW THE INCIDENT OCCURRED AND HOW THE CITY IS INVOLVED)

I parked in spot # 27145 at 7:15am. I came out and paid meter at 8:00am. I put in 8 hours worth, so my meter was paid through 4:00pm. There were NO "No Parking" signs at 7:15 (when I originally parked) and also NO "No Parking" signs when plugging my meter at 8:00am. The electronic meter allowed me to pay for a →

full 8 hours with no limitations. Therefore, due to no signage and no restrictions, I would have had NO idea that the spot was going to be restricted later in the day. Please see the comments on my ticket where you can clearly see that the signs were not posted until 8:02am. I should not be at fault for this situation and would appreciate a full reimbursement for this. The city should have posted signs sooner, and/or the electronic meters should not have accepted payment for the restricted spots. Please call with any questions. Thank you for your time.

* Also, there were no red "No parking" covers over any of the spots.
