Policy and Procedure Chair Report

Dear Chair Brown and Commissioners:

Commissioners Foroozan and Singleton met on October 25, 2016.

Commissioners received an update on the Mental Health Workgroup. Policy Analyst Kaela McConnon Diarra held a phone conference with Dr. Sarah Abbott, Chief Davis (Framingham, MA), MPD's Inspector Waite, and Hennepin County's Leah Kaiser to discuss practical considerations in implementing a co-responder program. Commissioner Singleton and Policy Analyst McConnon Diarra will be meeting with Leah Kaiser and the MPD team to debrief.

Commissioner Foroozan continues to work on the Chief's performance review. He will present a revised draft to the Policy and Procedure Committee at the Nov. 29 Policy and Procedure meeting and to the full Commission on December 13.

Sincerely,

Chair Singleton
