

POLICE CONDUCT OVERSIGHT COMMISSION
October 13, 2015
Outreach Committee Chair Report

Chair Brown and Commissioners,

The Outreach Committee met on September 24, 2015. Commissioners Westphal and Singleton were present, as well as Committee Clerk Schuster.

Open Streets

The commissioners discussed the Open Streets event on Nicollet, noting that the PCOC partnered and shared tables with MPD for that event. The commissioners indicated they appreciated the opportunity to interact with MPD in that less formal setting, but that they thought it would be better to have a more distinct presence in the future so that community members understand that PCOC is separate from MPD.

The commissioners also discussed the final Open Streets event on Lowry, which occurred after the Outreach meeting and prior to the Oct. 13 PCOC meeting.

Body Camera Report

Commissioner Singleton noted that the body camera would be presented to the Public Safety City Council Committee on September 30, 2015. The presentation was well-received by City Council members who noted their appreciation of the PCOC's well-researched and comprehensive report.

November and December Meetings

The commissioners discussed the schedule for November and December Outreach meetings, given that the November meeting falls on Thanksgiving and the December meeting falls on Christmas Eve. The commissioners moved to change those meeting times to:

- Thursday, November 19 at 5:00pm; and
- Tuesday, December 15 at 5:00pm.

Both meetings will occur just prior to the Policy Committee meetings for November and December.

Sincerely,

/s/ Jennifer L. Singleton
