Supporting Information

The popularity of mobile food service in Minneapolis has skyrocketed and interest continues to grow. This amendment affords an expanded opportunity and visibility for mobile food vendor operations in Minneapolis outside of the downtown area and supports the city goal for businesses, big and small, to start here, stay here and thrive here by providing more opportunities for licensed food businesses in Minneapolis.

The licensee must sell only prepackaged, nonperishable or self-limiting packaged confections such as ice cream, pop, candy, and/or potato chips, for example, as approved by the environmental health division.

Licensees, pursuant to Chapter 188.480(8) of the Minneapolis Code of Ordinances, are not allowed to operate in the downtown area on and within the area bounded by the following streets: Commencing at the intersection of Second Avenue North and Washington Avenue; thence southwesterly along Second Avenue North to Ninth Street North; thence southerly and southeasterly along Ninth Street North to LaSalle Avenue; thence southwesterly and southerly along LaSalle Avenue to Grant Street; thence easterly along Grant Street to Portland Avenue; thence northeasterly along Portland Avenue to Ninth Street South; thence southeasterly along Ninth Street South to Chicago Avenue; thence northeasterly along Chicago Avenue to Washington Avenue; thence northwesterly along Washington Avenue to the point of beginning.
