**Premises/Business Plan/Operations**

Louie's Wine Bar received their On Sale Liquor with Sunday Sales Class D license in March 2014. They are applying for both an extension of their outdoor patio and a sidewalk café. They will be adding six tables with 12 seats to the private sidewalk café area on Aldrich Avenue. The sidewalk café will have 17 tables and 38 chairs. Eight tables with 18 chairs will be located on the curb side of the Lake Street frontage. A four foot pedestrian area will be maintained at all times. Nine tables with 18 chairs will be located on Aldrich Avenue directly next to their private patio. The sidewalk café plan has been approved by Public Works. There will be no outdoor speakers.

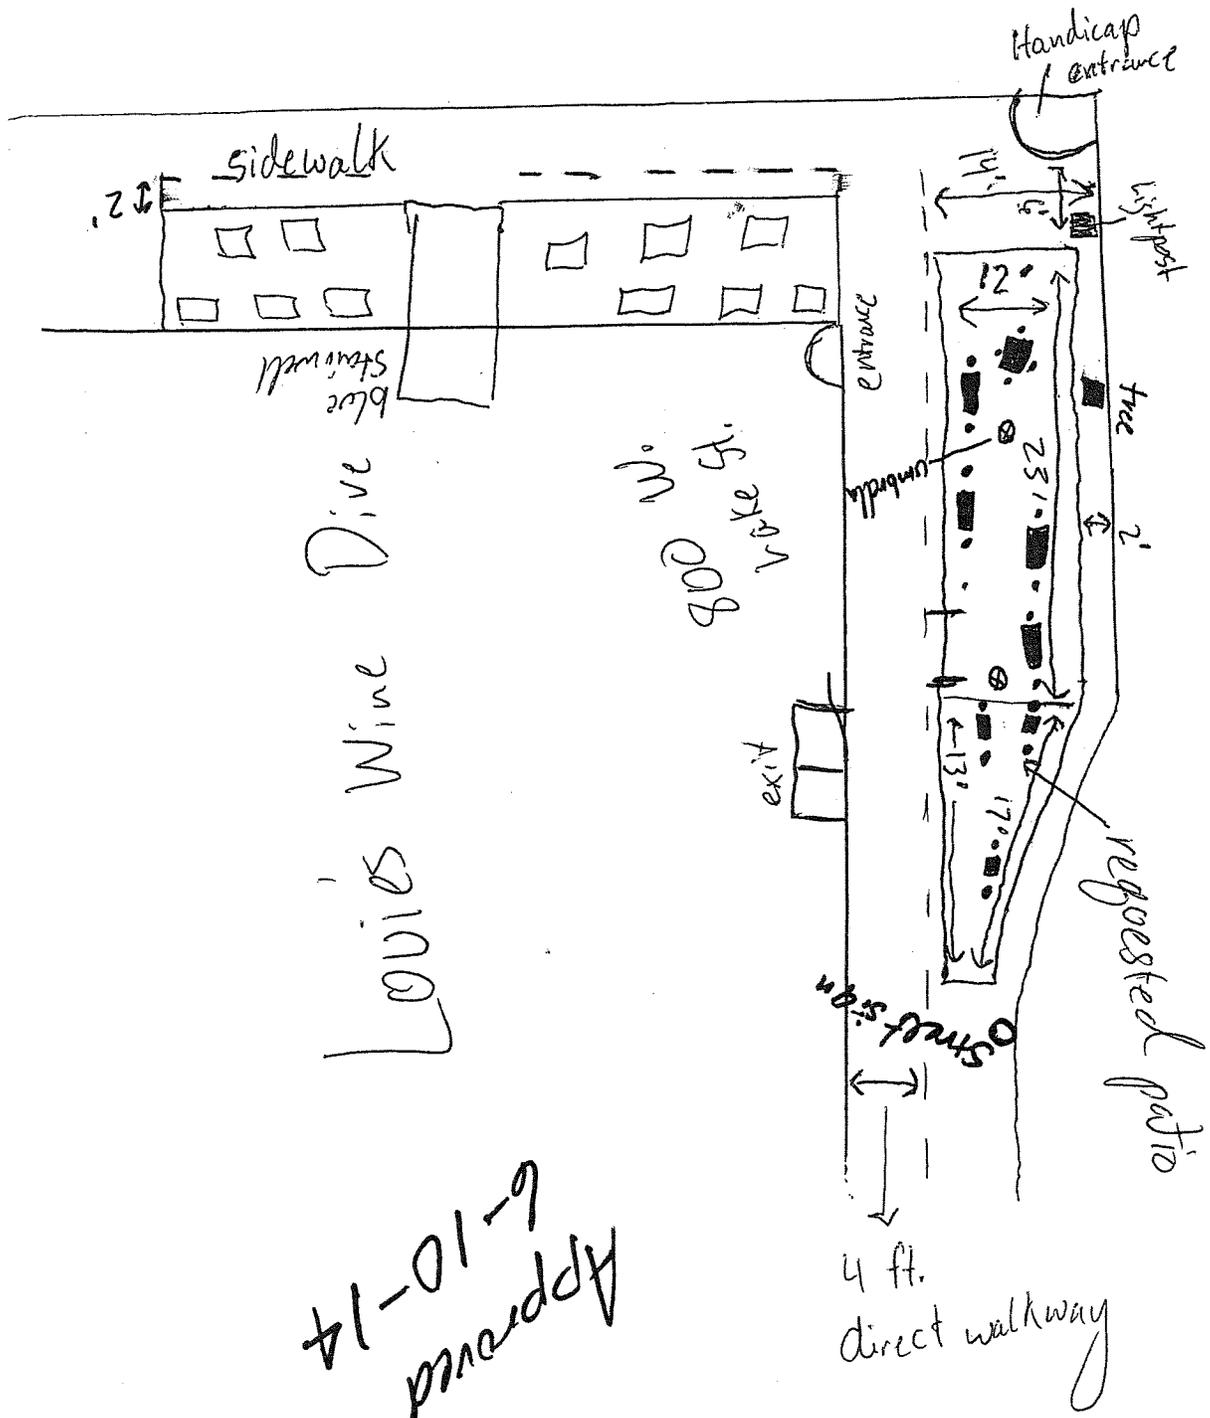

**Police Review**

Minneapolis Police has reviewed the financial and criminal histories and found them to meet minimum ordinance requirements.

**RECOMMENDATIONS**

Licenses and Consumer Services Division recommends approval of the Permanent Expansion of Premises and Sidewalk Café licenses. The hours in the C3A Zoning District are 1:00. Since the applicant does not plan any outdoor speakers, the Licenses and Consumer Services Department recommends their hours of operation be 11:00 a.m. to 2:00 a.m. on their outdoor areas.
