Supporting Information

On February 11, 2010, Plaintiff Constance Anderson was traveling down 33rd Street East in Minneapolis. Her vehicle collided with a city truck, which was being driven by Defendant Rashaun Imani. The parties have negotiated a global settlement in which the City will pay \$85,000 to Plaintiff. Public Works administration approves of the settlement. We believe that the proposed settlement is in the best interests of the City and recommend approval by this Committee and the City Council.
