Supporting Information

In executing the 2015 Internal Audit Plan that was approved by the Audit Committee on March 17th of 2015, the Internal Audit Department began a consultation on the Police Body Camera Pilot Program. The engagement began in February of 2015 and was completed in July of 2015. The scope of the evaluation included the processes and technology used in the implementation and management of the Police Body Camera Pilot Program. This evaluation also included program governance, capturing and transferring video, categorizing, annotating and retaining video, and releasing video appropriately. The report outlines the considerations identified based on the MPD Body Camera Program, and recommendations of controls.
