Amending Title 13, Chapter 299 of the Minneapolis Code of Ordinances relating to Licenses and Business Regulations: Ice Sale and Manufacture.

The City Council of the City of Minneapolis do ordain as follows:

Section 1. That Chapter 299 of the Minneapolis Code of Ordinances be and hereby is repealed.

CHAPTER 299. — ICE SALE AND MANUFACTURE

~~299.10. — Definitions.~~ When used in this chapter the following words and phrases shall mean:

~~*Cash and carry ice station.* Any place, building or structure of any kind from which ice is delivered directly to the consumer.~~

~~*Dealer or wholesaler.* Any person who purchases ice and who sells same to others, who in turn resell same to the commercial or domestic trade.~~

~~*Industry.* The production, manufacture or harvesting of ice either within or without the city, and the selling, distributing or merchandising of ice either wholesale or retail in the city.~~

~~*Peddler.* Any person who buys ice and resells and delivers same to the commercial or domestic trade, from a vehicle.~~

~~*Producer.* Any person who manufactures or harvests ice either within or without the city who shall sell, distribute or merchandise such product within the city.~~

~~*Vehicle.* Includes motor propelled, horse drawn, and hand operated vehicles by means of which ice is delivered from the station to the consumer.~~

~~299.20. — License required.~~ No person shall engage in the ice industry without being properly licensed under this chapter.

~~299.30. — License fees.~~ The annual license fees for licenses issued under this chapter shall be as established in Appendix J, License Fee Schedule.

~~299.40. — When licenses expire.~~ Licenses issued under this chapter shall expire on April first of each year.

~~299.50. — Applications for licenses generally.~~ Any person desiring any license granted under this chapter shall file an application with the licensing official. Said application shall contain an affidavit stating the name and address of the owner of the business for which such application is made and the name and

location of the body or bodies of water from which the ice has been or is to be harvested or the water used for its manufacture. Said form shall contain the statement that the sources named therein are the only sources from which said ice or water used or to be used for its manufacture are or will be derived, subject to the provisions of this chapter, and shall be subscribed and sworn to by the applicant. It shall then be submitted by the applicant to the commissioner of health for approval and without such approval no application may be filed. If the commissioner of health approves the sources of the ice and water as therein stated, such approval shall be stamped thereon and said affidavit so stamped shall be filed with the application as herein provided. Any licensee thereafter desiring to make a change in the source of ice or water to be manufactured into ice, set forth in the application, shall notify the commissioner of health in writing and receive the commissioner's written approval of the source from which such licensee proposes to procure the ice or water to be manufactured into ice, before such change is made. In the event that the commissioner of health so approves, the new source shall thereafter be the only source from which the licensee may derive ice or water to be manufactured into ice, subject to the provisions of this chapter, with like force and effect as though such source had been stated in the application for licensee's license.

299.60. — Contents of producer's or dealer's license. Application for a producer's or for a dealer's license shall contain the full name and address of the owner of the business producing ice, the location of the building or buildings, and the part thereof intended to be used in the production or manufacture of such product, the number and location of the building or buildings from which the ice is to be sold and delivered, and the name and location of the body or bodies of water from which the ice has been harvested or the water used for its manufacture.

299.70. — Procedure for producer's or dealer's license. Upon the filing of an application for a producer's license or a dealer's license, the same shall be presented to the commissioner of health. The premises and places in such application described, the building or buildings in which said business is being conducted, or it is proposed to conduct said business, such body or bodies of water from which ice is harvested or is to be harvested, or water used in the manufacture of ice shall be inspected by the commissioner of health or authorized representative who shall keep a permanent record of said inspection and who shall, if said places and premises, body or bodies of water, or water to be taken for the manufacture, are approved, so certify in writing on the application and deliver the same to the licensing official. In the event the commissioner of health approves said application, the license may be issued or denied pursuant to section 259.30. In case the commissioner of health does not approve the application, no license shall be granted.

299.80. — Registration of producer's or dealer's license. The granting of a producer's license or a dealer's license shall constitute a registration of the licensed building or buildings, and of the body or bodies of water from which ice is harvested or water used in the manufacture of ice. The director of licenses and consumer services shall keep a record and thereafter no building or buildings of said licensee shall be added or withdrawn by the said licensee nor shall other water be used than is set forth in the application for license, except as hereinafter provided.

299.90. — Peddler's license application. An application for peddler's license shall contain the full name and address of the owner of the business of peddling ice, the number, kind and type of vehicle to be used, and the location of the body or bodies of water from which the ice is obtained

299.100. — Procedure for peddler's license. Upon the filing of an application for a peddler's license, it shall be presented to the commissioner of health. The vehicle or vehicles in such application described

shall be inspected by the commissioner of health or the commissioner's deputy who shall keep a permanent record of said inspection, and who shall, if said vehicles are approved, so certify, in writing, on the application and deliver the same to the licensing official. In the event the commissioner of health approves said application, the license may be issued or denied pursuant to section 259.30. Unless the commissioner of health shall approve the application for license, no license shall be granted

299.110. — Vehicle license plates. Upon the registration of any vehicle or vehicles used in the sale and delivery or distribution of ice and the payment of fee therefor, the licensing official shall issue two (2) metal license plates for each vehicle, said license plates to be numbered serially, and the licensing official shall keep a record of each license plate issued and the vehicles to which it is assigned. Said license plates shall at all times be attached to said vehicle. There shall be one (1) plate on each side of the vehicle, in a conspicuous place.

299.120. — Transfer of license plates; exception. Where a vehicle owned by a licensee is damaged through an accident or otherwise, transfer of license plates may be made for a period not to exceed five (5) days, but in such event the licensee shall notify the licensing official, in writing, at the date of transferring, and shall also notify the licensing official at the end of the five-day period that such plates have been returned to the original vehicle.

299.130. — Cash and carry ice station license application. An application for license to operate a cash and carry ice station shall contain the full name and address of the owner of the business of conducting a cash and carry ice station, the location of the building or buildings and the part and portion thereof intended to be used in the conduct of such business, and the location of the body or bodies of water from which the ice is obtained.

299.140. — Cash and carry ice station licenses. Procedure and requirements for approval of license application and inspection of cash and carry ice stations shall be the same as set forth in section 299.70 for producer's and dealer's licenses.

299.150. — Registration of cash and carry ice station. The granting of a license for a cash and carry ice station shall constitute a registration of the building or buildings upon which said business is being carried on or is proposed to be carried on and of the sources of such ice. The licensing official shall keep a record and thereafter no building or buildings of said licensee shall be added or withdrawn by the said licensee except as hereinafter set forth; nor shall ice be obtained from any different source.

299.160. — Cash and carry station license plates. Upon the registration of the cash and carry ice station with the licensing official and the payment of the fee therefor, the licensing official shall issue a decal for each cash and carry ice station operated, to be numbered serially, and the licensing official shall keep a record of each decal issued and the station to which it is assigned. Said decals shall at all times be posted in a conspicuous place on each of said ice stations.

299.170. — Building requirements for cash and carry station. No business of conducting a cash and carry ice station shall be conducted in a building used as a filling station or in any building in which flammable liquids or materials are kept or stored. Each building in which it is proposed to conduct a cash and carry ice station shall be approved by the building official prior to the issuance of a license.

299.180. — Sanitary measures. Every person who sells, delivers or causes to be delivered, ice shall permit the department of health and its inspectors at all reasonable times to have access to and freely examine

the ice intended for sale or delivery and shall permit samples to be taken by said department or its inspectors for the purpose of analysis. No person shall bring into the city, or store, sell, deliver, or distribute, or cause to be brought into the city, or stored, sold, delivered or distributed, any ice for domestic use, or ice used in connection with drinking water, liquids or foods or ice used in connection with any food or drink for human consumption, that shall contain any bacteria responding to the standard tests for the colon group of bacilli.

299.190. — Duty to advise public of nature of ice. Each vehicle and cash and carry station from which ice is delivered or sold shall have attached thereto in a conspicuous place on the outside of such vehicle and on the front of such cash and carry station a sign printed in large legible letters indicating whether the ice sold and distributed therefrom is "natural ice" or "artificial ice." If both artificial and natural ice are sold and delivered therefrom, such sign shall bear the words "natural ice" and "artificial ice," and each purchaser or person to whom ice is delivered shall be advised as to whether such ice is artificial or natural. Any misrepresentation to a purchaser or customer as to the nature of said ice sold or delivered shall be cause for the revocation of the license for such sale or cash and carry station.

299.200. — Coupon books. No operator of a cash and carry ice station and no peddler or dealer in ice shall sell coupon books unless he or she shall first file a surety bond for the sum of two hundred dollars (\$200.00), conditioned upon redemption of unused coupons if presented while licensee is in business or within sixty (60) days after terminating business.

299.210. — Employment of minors. No minor under the age of sixteen (16) years shall be employed at or in or allowed to operate any ice station or vehicle used in the selling, delivering or distribution of ice.

299.220. — Prohibited sources. No person shall cut, harvest, or in any way procure or obtain any ice in or from any river, stream, lake, pond or other body of water within the limits of the city, nor shall any ice cut, harvested or procured in or from any river be sold or used in the city for any purpose whatever.
