Ward/Address:

Not Applicable

Background/Analysis:

This claim arises out of a work related injury suffered by Jonathon C. McClellan while he was employed as a Firefighter with the Minneapolis Fire Department from January 2, 2008 to March 27, 2015. As a consequence of his work-related injuries at the City of Minneapolis and corresponding permanent physical restrictions, Mr. McClellan is entitled to a number of benefits through workers' compensation.

Any settlement in excess of \$75,000 must be approved by the Council. Following negotiations and a lengthy meditation with his attorneys, we have reached a tentative settlement of Mr. McClellan's workers' compensation claim on a full, final and complete basis in the amount of \$150,423.10. This proposed settlement has been discussed with the Fire Department and it is in agreement with the terms. We believe that the settlement is in the best interests of the City and recommend approval by this Committee.

No additional appropriation required, amount included in current budget.
