

T&PW - Your Committee recommends that the proper City officers be authorized to execute a Cooperative Agreement with the Minnehaha Creek Watershed District and the Minneapolis Park and Recreation Board (MPRB) to identify and evaluate potential reconfigurations of the Lake Hiawatha Golf Course in an effort to best serve the shared goals of the parties, including drainage system and water quality improvements, while maintaining the MPRB's needs for the golf course. Each party will bear its own costs and no money will be transferred between the parties under this agreement.
