Background/Analysis:

This claim arises out of an accident on July 11, 2014, when the claimants' vehicle was struck by a City truck causing injury and property damage. We have reached a proposed settlement of the claims in the amount of \$16,800.00 payable to claimants. We believe that this settlement is in the best interests of the City and recommend its approval.

No additional appropriation required, amount included in current budget.
