Voters are strongly encouraged to preregister before going to vote early, by mail, or on Election Day. The deadline for voters to preregister to vote in the Primary on August 9 is July 19. Registration forms need to be received by elections officials by 5 p.m. Online registrations must be entered by 11:59 p.m.

If a voter is not sure if they are registered at their current name and address, they can check their registration status at: <https://mnvotes.sos.state.mn.us/VoterStatus.aspx>

They will need to enter their first and last name, date of birth, zip code or county, and street address.

VOTER REGISTRATION—ELECTION DAY REGISTRATION

vote.minneapolismn.gov/voters/ELECTION-DAY-REGISTER

Voters who are not preregistered can still register when they vote, either at their polling place on Election Day or when voting absentee. The following proof of residence options may be used to register when going to vote on Election Day or early.

Option 1: ID with current name and address

Accepted IDs: Valid Minnesota driver's license, Minnesota learner's permit, Minnesota ID card—or a receipt for any of these.

Tribal ID card with name, address, photo, and signature.

Option 2: Photo ID plus a document with current name and address

Accepted photo IDs—choose 1 (can be expired)

- Driver's license, state ID card, or learner's permit issued by any state
- United States passport
- United States Military ID card or Veterans ID
- Tribal ID card with the name, signature, and photo
- Minnesota university, college, or technical college ID card
- Minnesota high school ID card

Accepted documents - choose 1 (can be shown on electronic device)

- Residential lease or rental agreement valid through Election Day
- Current student fee statement
- Bill, account, or start of service statement due or dated within 30 days of the election for:
 - * Phone, TV, or internet
 - * Solid waste, sewer, electric, gas, or water
 - * Banking or credit card
 - * Rent or mortgage

Option 3: Registered voter who can confirm your name and address (voucher)

A registered voter from the same precinct can go with a voter to the polling place and sign an oath confirming the address of the voter needing to register. A registered voter can vouch for up to eight others. Someone who registers when voting can vouch for other voters, unless they were vouched for in order to register.

Option 4: College student ID—if a student housing list was provided

College students can use a student photo ID card if their college provided a student housing list to election officials.

Option 5: Valid registration in the same precinct

If a voter was previously registered in the precinct but changed names or moved within the same precinct, the voter only needs to tell the elections official their previous name or address—no additional documentation is required.

Option 6: Notice of late registration

If a voter preregistered to vote after the preregistration deadline, they may still receive a Notice of Late Registration in the mail. This notice can be used as proof of residence to register when voting.

Option 7: Staff person of a residential facility

If a voter lives in a residential facility, a facility staff person can go with the voter to the polling place to confirm the voter's address. This is another form of 'vouching.' A staff person can vouch for all eligible voters living in the facility.

ABSENTEE VOTING—EARLY VOTING and VOTE BY MAIL

vote.minneapolismn.gov/voters/ABSENTEE

Any voter can choose whether to vote by mail, early by in-person absentee, or in their assigned polling place on Election Day.

Absentee voting timelines:

Primary Election: August 9, 2016

Absentee voting starts: June 24, 2016

Early voting times for Minneapolis in-person absentee voting:

- Mon.-Fri., June 24—Aug. 5, 8 a.m.—4:30 p.m.
- Sat. July 30, and Sat. Aug. 6, 9 a.m.—4 p.m.
- Mon. Aug. 8, 8 a.m.—5 p.m.

In-person early voting location:

Early Vote Center
217 S. 3rd Street
Minneapolis, MN 55401

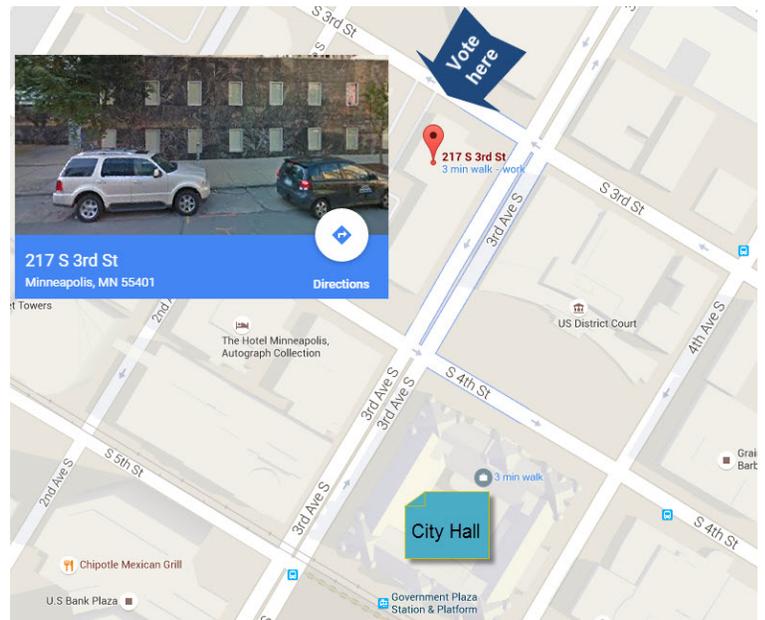

For the August 9 Primary, the in-person absentee voting location will be the Early Vote Center located at 217 S 3rd St, one block away from City Hall. Voters who want to use early voting should not come to City Hall or the Elections & Voter Services office, as **all** early voting will be conducted in this new location.

All voters casting an absentee ballot must complete an absentee ballot application, including voters who are coming to the in-person early voting location. Applications will be available at the voting location, or voters may bring a completed application with them to save time.

Voters who are not preregistered can still use early voting. If it is before the preregistration deadline of July 19, voters are encouraged to submit their registration application a day or two before coming to vote if possible. Voters can also follow the same process for Election Day (or same day) Registration used in polling places on Election Day to register when they come to vote.

Organizations or campaigns who plan to coordinate bringing voters to the early voting location are encouraged to be in contact with Elections & Voter Services to share times planned for large groups. This helps ensure appropriate staff levels are on hand to minimize waits for voters.

ABSENTEE VOTING—EARLY VOTING

vote.minneapolismn.gov/voters/ABSENTEE

NEW IN 2016: During the final 7 days of absentee voting, who are casting an absentee ballot in-person can choose to insert their ballot directly into the ballot tabulator. (M.S. 203B.081)

For the Primary, voters will have this option beginning Tuesday, Aug. 2, through the close of in-person early voting on Monday, Aug. 8.

Tips for early voting

In order to minimize the time voters will need to spend waiting to vote at the Early Vote Center, there are three simple steps every voter can take.

STEP #1: VERIFY REGISTRATION STATUS, OR GET PRE-REGISTERED! Voters can register—or check the status of their registration— using on-line tools that are supported by the Secretary of State. It is also possible for voters to register when they come to vote, but it makes the process both faster and easier when voters are preregistered. Up until the preregistration deadline for the primary on July 19, votes can submit their registration online or by paper application in advance of their planned visit to the Early Vote Center. Just point voters to the City elections website for details about registration at: vote.minneapolismn.gov/voters/REGISTER

STEP #2: DOWNLOAD AND COMPLETE THE ABSENTEE BALLOT APPLICATION FORM AND BRING IT TO THE EARLY VOTE CENTER. Voters can download and complete the absentee ballot application form in advance, saving even more time in the polls. The downloadable form is also available in a total of 11 languages. To access the request form, use this link: vote.minneapolismn.gov/voters/ABSENTEE

STEP #3: USE THE SAMPLE BALLOT AS A QUICK REFERENCE!! Using their customized sample ballot to practice, voters can have confidence that they are correctly marking their ballots and complete the entire process without fuss or unnecessary time delays. Each of the 132 precincts in the City of Minneapolis has a different ballot layout, so voters enter their address information when downloading a sample ballot to ensure they have the same ballot they see when they go to vote. They can bring that sample ballot with them to the polling place or Early Vote Center, and have the option to practice premarking that ballot as a reference when they are in the voting booth. Voters can use this link to access their sample ballots: vote.minneapolismn.gov/voters/BALLOT

ABSENTEE VOTING—EARLY VOTING and VOTE BY MAIL

vote.minneapolismn.gov/voters/ABSENTEE

Voters who want to vote by mail may complete the online application to have a ballot mailed to them along with instructions and a return envelope with the postage already paid to get the ballot back to Elections & Voter Services.

Voters can also complete a paper form and submit it by mail, email, fax, or in person to Elections & Voter Services. Applications are available in English and 10 additional languages on our website to download and print:

- English
- Español (Spanish)
- Hmoob (Hmong)
- Soomaali (Somali)
- Tiếng Việt (Vietnamese)
- Русский (Russian)
- 中文 (Chinese)
- ພາສາລາວ (Lao)
- Oromo (Oromo)
- ខ្មែរ (Khmer)
- አማርኛ (Amharic)

When voting by mail, if a voter is not preregistered a voter registration application will be sent out with the absentee ballot for the voter to complete and return.

Absentee ballots returned by mail or package delivery service (such as Fed Ex or UPS) must be received by Elections & Voter Services by 8 p.m. on Election Day. Late ballots cannot be counted.

Ballots can also be dropped off to Elections & Voter Services at the Early Vote Center up until 3 p.m. on Election Day. A voter can return their own ballot or can designate an agent to return their ballot for them. An individual can only act as an agent for a maximum of **3 voters per election**. Voters who received an absentee ballot in the mail cannot bring that ballot to their polling place on Election Day to drop it off—absentee ballots can only be returned to Minneapolis Elections & Voter Services at the Early Vote Center. A voter who has received but not yet cast an absentee ballot can go to their polling place and vote there instead.

Voters can view the status of their absentee ballot, from the point of request to being able to see when it has been received and counted. <https://mnvotes.sos.state.mn.us/AbsenteeBallotStatus.aspx>

NOTE: Hennepin County Elections also offers in-person absentee voting at their offices on the public service level of the Hennepin County Government Center at 300 S 6th St. www.hennepin.us/residents/elections/prepare-vote
