Request for Committee Action

To: Health, Environment & Community Engagement
Date: 10/24/2016
Referral: Ways & Means
From: Health Department
Lead Staff: Stephanie Graves, Senior Public Health Specialist x3735
Presented by: Stephanie Graves
File Type: Resolution
Subcategory: Grant

Subject:

Grant from the Minnesota Department of Health for public health nurse home visiting to high risk families.

Description:

1. Accepting \$120,000 from the Minnesota Department of Health to continue public health nurse home visiting services for a year.
2. Authorizing an agreement with the Minnesota Department of Health.
3. Passage of Resolution approving appropriation of funds to the Health Department.

Previous Actions:

December 16, 2011, August 29, 2014, and February 27, 2015 ([15-00209](#)) prior Council approvals for these services.

Ward/Address:

Not Applicable

Background/Analysis:

This agreement continues evidence based public health nurse home visiting through the MVNA to at risk pregnant and newly parenting families in North Minneapolis. The families to be served are those not eligible for other home visiting programs. The majority to be served are anticipated to be under 21 years of age who may have a history of child abuse or neglect, use tobacco or live in a home where tobacco is used, have mental health and/or substance abuse issues, and have low student achievement.

Financial Review:

Additional appropriation required.

Action requires an appropriation increase to the operating budget of \$120,000 in fund/department 01300-8600151 (revenue code 321007) and the 2016 appropriation in fund/department 01300-8600151.

- Future budget impact anticipated.**
- Approved by the Permanent Review Committee.**
- Meets Small and Underutilized Business Program goals.**
