Teresa S. Ruhland

This award is named in memory of Teresa Sheehy Ruhland, an outstanding, visionary employee with the Minneapolis Police Department's Community Crime Prevention/SAFE unit. A mother of three young children, Teresa focused on the future generations in our city. Teresa started with CCP/SAFE as an intern, was hired as a crime prevention specialist and then was promoted to supervisor and ultimately manager. She gave much to the city, including the process for notifying the public when high-risk sex offenders move into city neighborhoods. Many Minneapolis residents had the good fortune to work with Teresa over the years. Teresa died in May 2000.
