

NEW BUS LANE ORDINANCE

You are invited to attend a one of the four public meetings to discuss the "concept language" for a new Minneapolis bus lane ordinance. Over the past few years, numerous complaints and problems have arisen over the use or misuse of the downtown bus lanes. Some of the issues to be discussed:

CONFUSION by the public and enforcement personnel;
ILLEGAL USE by non-authorized vehicles;
SAFETY;
CONGESTION and delays to buses.

These meetings will be held in Room 225, City Hall, from 4:30 - 6:00 p.m.

Tuesday, July 23rd
Tuesday, August 6th
Thursday, August 22nd
Tuesday, September 10th

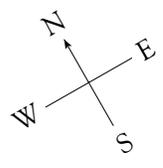

For further information, you can access the city's website (www.ci.minneapolis.mn.us) or contact Jon Wertjes at 612-673-2411.
