

# Potential 2005 Legislative Items

## Criminal Justice Coordinating Committee

### Funding

- 1. Provide adequate funding for critical criminal justice functions such as the Public Defender, Gang Strike Force and probation caseload reduction without jeopardizing current criminal justice resources.*
- 2. Allow local government option to reduce or eliminate state mandated programs for which the state has reduced or eliminated funding.*

### Information Systems and Data Sharing

- 3. Support the ongoing funding and development of the CrimNet system without placing financial constraints on local government.*
- 4. Oppose efforts that hinder sharing of critical criminal justice information.*

### Sentencing Guidelines

- 5. Monitor and analyze suggested revisions on sentencing guidelines and provide a public safety impact statement for the legislature.*

### Issues that need further discussion at the CJCC

- Conceal and Carry
- Sex Offenders
