Community Impact

- Other – various grants, projects and programs in variety of neighborhoods and communities citywide.

Supporting Information

The American Recovery and Reinvestment Act of 2009 was passed in February 2009 and to date, has provided nearly \$64 million in additional stimulus funding to the city of Minneapolis. As of the end of the 2Q on June 30, 2010, \$14.8 million of the \$63.3 million has been expended (23.4%). The presentation will review summary information on project and jobs data, and will include brief reviews of a few of the projects that are underway as a result of funding from the Recovery Act.

Links to a detailed list of the city's projects and to a detailed report of the city's jobs as a result of ARRA spending are included on the electronic version of the 8/19/2010 Committee of the Whole agenda.
