Fall street sweeping mid-October to mid-November

Cars must be moved so crews can clear leaves from the streets. Signs will be posted at least 24 hours before towing begins. Signs will specify the day of the week that parking is banned and read "**No Parking 7A.M. to 4:30 P.M.**"

Watch for "no parking" signs each day or if you can't, arrange with a friend for help.

Don't get towed

Find out when your street is scheduled for sweeping — in mid-October, check the schedule at www.ci.minneapolis.mn.us/streetsweep.

If you have **questions** about street sweeping, call **311**.

Remember, it's against the law and bad for our lakes to rake leaves into the street.
