Supporting Information

The City of Minneapolis Employment and Training Program (METP) is requesting a six month extension to the end date (from December 31, 2010 to June 30, 2011) of 40 Master Contracts. In 2006, METP entered into 40 Master Contract agreements that are set to expire on December 31, 2010. Currently, agencies are operating under this 2006 agreement that have contracts with METP that run through June 30, 2011. No dollar amounts will be increased or reduced as part of this process; this is purely a procedural change.
