AN ORDINANCE
of the
CITY OF
MINNEAPOLIS

By Gordon

Amending Title 3, Chapter 47 of the Minneapolis Code of Ordinances relating to Air Pollution and Environmental Protection: Air Pollution.

The City Council of The City of Minneapolis do ordain as follows:

Section 1. That Section 47.140 of the above entitled ordinance be and hereby is repealed:

~~**47.140. Abrasive blasting permit required.** No person shall abrasively blast any building, structure, or other architectural surface without having first received a permit from the department of regulatory services. Permit costs shall be as established in the director's fee schedule pursuant to section 91.70.~~

- ~~(1) Applications for abrasive blasting permits shall be in such form as prescribed by the department of regulatory services. Every application for a permit to abrasively blast a building, structure, or architectural surface four (4) stories in height or less shall be accompanied by a sworn statement that the applicant will notify at least forty-eight (48) hours prior to the commencement of any abrasive blasting all the occupants of every residential building of less than ten (10) dwelling units and the owners, managing agent, or occupants of every residential building of ten (10) or more dwelling units and every nonresidential structure located within a seventy-five-foot radius of the surface to be sandblasted. With respect to surfaces more than four (4) stories in height, environmental management, giving due consideration to the public interest, shall determine the radius of the notice. This notification shall be in writing and shall be by mail or electronic mail and shall include the following information:~~
- ~~a. Return address from the applicants last known permanent address.~~
 - ~~b. Address of the location to be abrasively blasted.~~
 - ~~c. The estimated date(s) of the abrasive blasting operations.~~
 - ~~d. The estimated time period of the entire abrasive blasting operation.~~
 - ~~e. The type of blasting material, and material to be abrasively blasted, including lead and all material considered a hazardous waste under Minnesota Rules.~~
 - ~~f. Analytical results of testing for material to be abrasively blasted for lead content. If results are not submitted with application the permit will not be~~

~~issued until the city has tested material. The city has up to five (5) days to conduct this testing.~~

- ~~(2) Rescheduling abrasive blasting operation. In the event the applicant cannot perform the abrasive blasting on the estimated date(s) contained in the application or within seventy-two (72) hours thereafter the applicant shall notify environmental services and the owners of the property or occupants twenty-four (24) hours prior to the commencement of the rescheduled abrasive blasting operation.~~
- ~~(3) All required testing shall be performed by qualified staff from lead hazard control as designated by the Department of Regulatory Services.~~
