## Shape the Future of Linden Hills

May 28<sup>th</sup> (MINNEAPOLIS) – The Linden Hills Neighborhood Council and the City of Minneapolis encourage the public to engage in crafting a plan for the future of Linden Hills' commercial districts by participating in the upcoming open house.

**Wednesday, June 5<sup>th</sup> 5 to 7:30 pm**

Pershing Park, 3523 48th St W, Minneapolis

The open house will also be available as an online survey available from June 6th through June 20th. The online survey can be found at [LHSAP.org](http://LHSAP.org)

The open house is the opportunity for the community to provide feedback on design and policy concepts that were generated in the April community workshops. Concepts for review and feedback include:

- How new development can respect and maintain the existing character of Linden Hills with respect to location, height, length, and massing
- Ensuring transitions between new development and smaller-scale adjacent properties
- Parking for new businesses and new development
- How infrastructure improvements can insure a vibrant future for Linden Hills

A summary of the April community workshops along with other materials can be found on the project webpage [LHSAP.org](http://LHSAP.org)
