Does your organization have an open façade contract with the City at this time? **YES** **NO**

Organizations with an open façade contract are only eligible to submit a proposal for a second Façade Improvement Matching Grant contract if they have at least 50% of the grant funds (excluding administrative fees) drawn down or committed in active Business Application and Participation Agreements. Organization must email **pdf copies of the active (not-yet-disbursed) Business Application and Participation Agreements under separate cover to jimmy.loyd@minneapolismn.gov as evidence of committed funds to their City contract administrator by October 31, 2013.** If 50% of the grant funds have been disbursed by the City to the organization, then copies of active agreements are not needed.

SECTION THREE – DESCRIPTIVE ANSWERS

1. How do the organization's past and current efforts address commercial revitalization objectives? If your organization has had a Great Streets Façade Improvement Matching Grant contract in the past, please speak to that experience. (0 to 5 points)

2. How was the organization's board of directors or committees and the organization's membership engaged in the formulation of this proposal and the proposed implementation of the program? Include the any meeting dates and relevant board actions taken in regards to this proposal. (0 to 5 points)

3. Who will be the primary administrator of the program? Is this a full-time staff position, part-time staff position, contract employee, or volunteer? What is this person's past experience implementing a matching grant program? Does this person have the time necessary to market the program and ensure that improvements are completed and funds spent in the designated time frame? *Organizations are encouraged to seek an experienced partner and submit a collaborative proposal if they lack some of the experience and capacity needed to implement the program effectively. City staff can help to identify experienced potential partners.* (0 to 5 points)
