A. Under the provisions contained in Minn. Stat. §§ 471.15-471.191 (the “Statutory Authority”) and specific language contained in 2010 Minn. Law Chap. 189, Sec. 21, Subd. 11 (the “G.O. Bonding Legislation”) the Public Entity has been given the authority to predesign, design, construct, furnish and equip the renovation of a performing arts center in downtown Minneapolis; and

B. Under the G.O. Bonding Legislation, the State of Minnesota has allocated \$14,000,000.00 (the “G.O. Grant”), which is to be given to the Public Entity as a grant to assist it in the predesign, design, construction, furnishing and equipment of the renovation of Orchestra Hall at its current location in downtown Minneapolis as authorized by such legislation; and

property and structures and that such funds may be used to only acquire such ownership interest and/or improve a part of such real property and structures.

F. The Public Entity and the State Entity desire to set forth herein the provisions relating to the granting of such monies and the disbursement thereof to the Public Entity, and the operation of the Real Property and, if applicable, Facility.

B. If the Public Entity fails to fully comply with any provision, term, condition, covenant, or warranty contained in this Agreement, the Declaration, or any other document referred to herein.

C. If the Public Entity fails to fully comply with any provision, term, condition, covenant or warranty contained in the G.O. Compliance Legislation, the Commissioner's Order, or the G.O. Bonding Legislation.

D. If the Public Entity fails to complete the Project, or cause the Project to be completed, by the Completion Date.

E. If the Public Entity fails to provide and expend the full amount of the matching funds, if any, required under Section 7.23 for the Project.

F. If the Public Entity fails to record the Declaration and deliver copies thereof as set forth in Section 2.05.W.

Notwithstanding the foregoing, any of the above delineated events that cannot be cured shall, unless waived in writing by the State Entity and the Commissioner of MMB, constitute an Event of Default under this Agreement immediately upon either the State Entity or the Commissioner of MMB giving the Public Entity written notice of such event.

Section 2.08 **Remedies.** Upon the occurrence of an Event of Default and at any time thereafter until such Event of Default is cured to the satisfaction of the State Entity, the State Entity or the Commissioner of MMB may enforce any or all of the following remedies.

A. The State Entity may refrain from disbursing the G.O. Grant; provided, however, the State Entity may make such disbursements after the occurrence of an Event of Default without thereby waiving its rights and remedies hereunder.

B. If the Event of Default involves a failure to comply with any of the provisions contained herein other than the provisions of Sections 4.01 or 4.02, then the Commissioner of MMB, as a third party beneficiary of this Agreement, may demand that the Outstanding Balance of the G.O. Grant be returned to it, and upon such demand the Public Entity shall return such amount to the Commissioner of MMB.

C. If the Event of Default involves a failure to comply with the provisions of Sections 4.01 or 4.02, then the Commissioner of MMB, as a third party beneficiary of this Agreement, may demand that the Public Entity pay the amounts that would have been paid if there had been full and complete compliance with such provisions, and upon such demand the Public Entity shall pay such amount to the Commissioner of MMB.

D. Either the State Entity or the Commissioner of MMB, as a third party beneficiary of this Agreement, may enforce any additional remedies they may have in law or equity.

The rights and remedies herein specified are cumulative and not exclusive of any rights or remedies that the State Entity or the Commissioner of MMB would otherwise possess.

If the Public Entity does not repay the amounts required to be paid under this Section or under any other provision contained in this Agreement within 30 days of demand by the Commissioner of MMB, or any amount ordered by a court of competent jurisdiction within 30 days of entry of judgment against the Public Entity and in favor of the State Entity and/or the Commissioner of MMB, then such amount may, unless precluded by law, be taken from or offset against any aids or other monies that the Public Entity is entitled to receive from the State of Minnesota.

Section 2.09 **Notification of Event of Default.** The Public Entity shall furnish to the State Entity and the Commissioner of MMB, as soon as possible and in any event within 7 days after it has obtained knowledge of the occurrence of each Event of Default or each event which with the giving of notice or lapse of time or both would constitute an Event of Default, a

statement setting forth details of each Event of Default or event which with the giving of notice or upon the lapse of time or both would constitute an Event of Default and the action which the Public Entity proposes to take with respect thereto.

**Section 2.10 Survival of Event of Default.** This Agreement shall survive any and all Events of Default and remain in full force and effect even upon the payment of any amounts due under this Agreement, and shall only terminate in accordance with the provisions contained in Section 2.12 and at the end of its term in accordance with the provisions contained in Section 2.11.

**Section 2.11 Term of Grant Agreement.** This Agreement shall, unless earlier terminated in accordance with any of the provisions contained herein, remain in full force and effect for the time period starting on the effective date hereof and ending on the date that corresponds to the date established by adding a time period equal to 125% of Useful Life of the Real Property and, if applicable, Facility to the date on which the Real Property and, if applicable, Facility is first used for the operation of the Governmental Program after such effective date. If there are no uncured Events of Default as of such date this Agreement shall terminate and no longer be of any force or effect, and the Commissioner of MMB shall execute whatever documents are needed to release the Real Property and, if applicable, Facility from the effect of this Agreement and the Declaration.

**Section 2.12 Modification and/or Early Termination of Grant.** If the Project is not started on or before the date that is 5 years from the effective date of this Agreement or all of the G.O. Grant has not been disbursed as of the date that is 4 years from the date on which the Project is started, or such later dates to which the Public Entity and the State Entity may agree in writing, then the State Entity's obligation to fund the G.O. Grant shall terminate. In such event, (i) if none of the G.O. Grant has been disbursed by such dates then the State Entity's obligation to fund any portion of the G.O. Grant shall terminate and this Agreement shall terminate and no longer be of any force or effect, and (ii) if some but not all of the G.O. Grant has been disbursed by such dates then the State Entity shall have no further obligation to provide any additional funding for the G.O. Grant and this Agreement shall remain in full force and effect but shall be modified and amended to reflect the amount of the G.O. Grant that was actually disbursed as of such date. This provision shall not, in any way, affect the Public Entity's obligation to complete the Project by the Completion Date.

This Agreement shall also terminate and no longer be of any force or effect upon the Public Entity's sale of its ownership interest in the Real Property and, if applicable, Facility in accordance with the provisions contained in Section 4.01 and transmittal of all or a portion of the proceeds of such sale to the Commissioner of MMB in compliance with the provisions contained in Section 4.02, or upon the termination of Public Entity's ownership interest in the Real Property and, if applicable, Facility if such ownership interest is by way of an easement or under a Real Property/Facility Lease. Upon such termination the State Entity shall execute, or have executed, and deliver to the Public Entity such documents as are required to release the Public Entity's ownership interest in the Real Property and, if applicable, Facility, from the effect of this Agreement and the Declaration.

Section 2.13 **Excess Funds.** If the full amount of the G.O. Grant and any matching funds referred to in Section 7.23 are not needed to complete the Project, then, unless language in the G.O. Bonding Legislation indicates otherwise, the G.O. Grant shall be reduced by the amount not needed.

## Article III

### USE CONTRACTS

Section 3.01 **General Provisions.** If the Public Entity has statutory authority to enter into a Use Contract, then it may enter into Use Contracts for various portions of the Real Property and, if applicable, Facility; provided that each and every Use Contract that the Public Entity enters into must comply with the following requirements:

A. The purpose for which it was entered into must be to operate the Governmental Program in the Real Property and, if applicable, Facility.

B. It must contain a provision setting forth the statutory authority under which the Public Entity is entering into such contract, and must comply with the substantive and procedural provisions of such statute.

C. It must contain a provision stating that it is being entered into in order for the Counterparty to operate the Governmental Program and must describe such program.

D. It must contain a provision that will provide for oversight by the Public Entity. Such oversight may be accomplished by way of a provision that will require the Counterparty to provide to the Public Entity: (i) an initial program evaluation report for the first fiscal year that the Counterparty will operate the Governmental Program, (ii) program budgets for each succeeding fiscal year showing that forecast program revenues and additional revenues available for the operation of the Governmental Program (from all sources) by the Counterparty will equal or exceed expenses for such operation for each succeeding fiscal year, and (iii) a mechanism under which the Public Entity will annually determine that the Counterparty is using the portion of the Real Property and, if applicable, Facility that is the subject of the Use Contract to operate the Governmental Program.

E. It must allow for termination by the Public Entity in the event of a default thereunder by the Counterparty, or in the event that the Governmental Program is terminated or changed in a manner that precludes the operation of such program in the portion of the Real Property and, if applicable, Facility that is the subject of the Use Contract.

F. It must terminate upon the termination of the statutory authority under which the Public Entity is operating the Governmental Program.

G. It must require the Counterparty to pay all costs of operation and maintenance of that portion of the Real Property and, if applicable, Facility that is the subject of the Use Contract, unless the Public Entity is authorized by law to pay such costs and agrees to pay such costs.

H. If the Public Entity pays monies to a Counterparty under a Use Contract, such Use Contract must meet the requirements of Rev. Proc. 97-13, 1997-1 CB 632, so that such Use Contract does not result in "private business use" under Section 141(b) of the Code.

I. It must be approved, in writing, by the Commissioner of MMB, and any Use Contract that is not approved, in writing, by the Commissioner of MMB shall be null and void and of no force or effect.

J. It must contain a provision requiring that each and every party thereto shall, upon direction by the Commissioner of MMB, take such actions and furnish such documents to the Commissioner of MMB as the Commissioner of MMB determines to be necessary to ensure that the interest to be paid on the G.O. Bonds is exempt from federal income taxation.

K. It must contain a provision that prohibits the Counterparty from creating or allowing, without the prior written consent of the State Entity and the Commissioner of MMB, any voluntary lien or encumbrance or involuntary lien or encumbrance that can be satisfied by the payment of monies and which is not being actively contested against the Real Property or, if applicable, Facility, the Public Entity's ownership interest in the Real Property or, if applicable, Facility, or the Counterparty's interest in the Use Contract, whether such lien or encumbrance is superior or subordinate to the Declaration. Provided, however, the State Entity and the Commissioner of MMB will consent, in writing, to any such lien or encumbrance that secures the repayment of a loan the repayment of which will not impair or burden the funds needed to operate the portion of the Real Property and, if applicable, Facility that is the subject of the Use Contract in the manner specified in Section 2.04 and for which the entire amount is used (i) to acquire additional real estate that is needed to so operate the Real Property and, if applicable, Facility in accordance with the requirements imposed under Section 2.04 and will be included in and as part of the Public Entity's ownership interest in the Real Property and, if applicable, Facility, and/or (ii) to pay for capital improvements that are needed to so operate the Real Property and, if applicable, Facility in accordance with the requirements imposed under Section 2.04.

L. If the amount of the G.O. Grant exceeds \$200,000.00, then it must contain a provision requiring the Counterparty to list any vacant or new positions it may have with state workforce centers as required by Minn. Stat. § 116L.66, as it may be amended, modified or replaced from time to time, for the term of the Use Contract.

M. It must contain a provision that clearly states that the Public Entity is not required to renew the Use Agreement beyond the original term thereof and that the Public Entity may, at its sole option and discretion, allow the Use Agreement to expire at the end of its original term and thereafter directly operate the governmental program in the Real Property

and, if applicable, Facility or contract with some other entity to operate the governmental program in the Real Property and, if applicable, Facility.

**Section 3.02 Initial Term and Renewal.** The initial term for a Use Contract may not exceed the lesser of (i) 50% of the Useful Life of the Real Property and, if applicable, Facility for the portion of the Real Property and, if applicable, Facility that is the subject of the Use Contract, or (ii) the shortest term of the Public Entity's ownership interest in the Real Property and, if applicable, Facility.

A Use Contract may allow for renewals beyond its initial term on the conditions that (a) the term of any renewal may not exceed the initial term, (b) the Public Entity must make a determination that renewal will continue to carry out the Governmental Program and that the Counterparty is suited and able to perform the functions contained in Use Contract that is to be renewed, (c) the Use Contract may not include any provisions that would require, either directly or indirectly, the Public Entity to either make the determination referred to in this Section or to renew the Use Contract with the Counterparty after the expiration of the initial term or any renewal term, and (d) no such renewal may occur prior to the date that is 6 months prior to the date on which the Use Contract is scheduled to terminate. Provided, however, notwithstanding anything to the contrary contained herein the Public Entity's voluntary agreement to reimburse the Counterparty for any investment that the Counterparty provided for the acquisition or betterment of the Real Property and, if applicable, Facility that is the subject of the Use Contract if the Public Entity does not renew a Use Contract if requested by the Counterparty is not deemed to be a provision that directly or indirectly requires the Public Entity to renew such Use Contract.

**Section 3.03 Reimbursement of Counterparty.** A Use Contract may but need not contain, at the sole option and discretion of the Public Entity, a provision that requires the Public Entity to reimburse the Counterparty for any investment that the Counterparty provided for the acquisition or betterment of the Real Property and, if applicable, Facility that is the subject of the Use Contract if the Public Entity does not renew a Use Contract if requested by the Counterparty. If agreed to by the Public Entity, such reimbursement shall be on terms and conditions agreed to by the Public Entity and the Counterparty.

**Section 3.04 Receipt of Monies Under a Use Contract.** The Public Entity does not anticipate the receipt of any funds under a Use Contract, provided, however, if the Public Entity does receive any monies under a Use Contract in excess of the amount the Public Entity needs and is authorized to use to pay the operating expenses of the portion of the Real Property and, if applicable, Facility that is the subject of a Use Contract, and to pay the principal, interest, redemption premiums, and other expenses on Approved Debt, then a portion of such excess monies must be paid by the Public Entity to the Commissioner of MMB. The portion of such excess monies that the Public Entity must and shall pay to the Commissioner of MMB shall be determined by the Commissioner of MMB, and absent circumstances which would indicate otherwise such portion shall be determined by multiplying such excess monies by a fraction the numerator of which is the G.O. Grant and the denominator of which is sum of the G.O. Grant and the Approved Debt.

## Article IV

### SALE

Section 4.01 **Sale.** The Public Entity shall not sell any part of its ownership interest in the Real Property and, if applicable, Facility unless all of the following provisions have been complied with fully.

A. The Public Entity determines, by official action, that such ownership interest is no longer usable or needed for the operation of the Governmental Program, which such determination may be based on a determination that the portion of the Real Property or, if applicable, Facility to which such ownership interest applies is no longer suitable or financially feasible for such purpose.

B. The sale is made as authorized by law.

C. The sale is for Fair Market Value.

D. The written consent of the Commissioner of MMB has been obtained.

The acquisition of the Public Entity's ownership interest in the Real Property and, if applicable, Facility at a foreclosure sale, by acceptance of a deed-in-lieu of foreclosure, or enforcement of a security interest in personal property used in the operation thereof, by a lender that has provided monies for the acquisition of the Public Entity's ownership interest in or betterment of the Real Property and, if applicable, Facility shall not be considered a sale for the purposes of this Agreement if after such acquisition the lender operates such portion of the Real Property and, if applicable, Facility in a manner which is not inconsistent with the requirements imposed under Section 2.04 and the lender uses its best efforts to sell such acquired interest to a third party for Fair Market Value. The lender's ultimate sale or disposition of the acquired interest in the Real Property and, if applicable, Facility shall be deemed to be a sale for the purposes of this Agreement, and the proceeds thereof shall be disbursed in accordance with the provisions contained in Section 4.02.

The Public Entity may participate in any public auction of its ownership interest in the Real Property and, if applicable, Facility and bid thereon; provided that the Public Entity agrees that if it is the successful purchaser it will not use any part of the Real Property or, if applicable, Facility for the Governmental Program.

Section 4.02 **Proceeds of Sale.** Upon the sale of the Public Entity's ownership interest in the Real Property and, if applicable, Facility the proceeds thereof after the deduction of all costs directly associated and incurred in conjunction with such sale and such other costs that are approved, in writing, by the Commissioner of MMB, but not including the repayment of any debt associated with the Public Entity's ownership interest in the Real Property and, if applicable, Facility, shall be disbursed in the following manner and order.

A. The first distribution shall be to the Commissioner of MMB in an amount equal to the Outstanding Balance of the G.O. Grant, and if the amount of such net proceeds shall be

less than the amount of the Outstanding Balance of the G.O. Grant then all of such net proceeds shall be distributed to the Commissioner of MMB.

B. The remaining portion, after the distribution specified in Section 4.02A, shall be distributed to (i) pay in full any outstanding Approved Debt, (ii) reimburse the Public Entity for its Ownership Value, and (iii) to pay interested public and private entities, other than any such entity that has already received the full amount of its contribution (such as the State Entity under Section 4.02.A and the holders of Approved Debt paid under this Section 4.02.B), the amount of money that such entity contributed to the Initial Acquisition and Betterment Costs and the Subsequent Betterment Costs. If such remaining portion is not sufficient to reimburse interested public and private entities for the full amount that such entities contributed to the acquisition or betterment of the Real Property and, if applicable, Facility, then the amount available shall be distributed as such entities may agree in writing and if such entities cannot agree by an appropriately issued court order.

C. The remaining portion, after the distributions specified in Sections 4.02.A and B, shall be divided and distributed to the State Entity, the Public Entity, and any other public and private entity that contributed funds to the Initial Acquisition and Betterment Costs and the Subsequent Betterment Costs, other than lenders who supplied any of such funds, in proportion to the contributions that the State Entity, the Public Entity, and such other public and private entities made to the acquisition and betterment of the Real Property and, if applicable, Facility as such amounts are part of the Ownership Value, Initial Acquisition and Betterment Costs, and Subsequent Betterment Costs.

The distribution to the State Entity shall be made to the Commissioner of MMB, and the Public Entity may direct its distribution to be made to any other entity including, but not limited to, a Counterparty.

All amounts to be disbursed under this Section 4.02 must be consented to, in writing, by the Commissioner of MMB, and no such disbursements shall be made without such consent.

The Public Entity shall not be required to pay or reimburse the State Entity or the Commissioner of MMB for any funds above and beyond the full net proceeds of such sale, even if such net proceeds are less than the amount of the Outstanding Balance of the G.O. Grant.

## Article V

### COMPLIANCE WITH G.O. COMPLIANCE LEGISLATION AND THE COMMISSIONER'S ORDER

Section 5.01 **State Bond Financed Property.** The Public Entity and the State Entity acknowledge and agree that the Public Entity's ownership interest in the Real Property and, if applicable, Facility is, or when acquired by the Public Entity will be, "state bond financed property", as such term is used in the G.O. Compliance Legislation and the Commissioner's Order, and, therefore, the provisions contained in such statute and order apply, or will apply, to the Public Entity's ownership interest in the Real Property and, if applicable, Facility and any Use Contracts relating thereto.

Section 5.02 **Preservation of Tax Exempt Status.** In order to preserve the tax-exempt status of the G.O. Bonds, the Public Entity agrees as follows:

A. It will not use the Real Property or, if applicable, Facility, or use or invest the G.O. Grant or any other sums treated as "bond proceeds" under Section 148 of the Code including "investment proceeds," "invested sinking funds," and "replacement proceeds," in such a manner as to cause the G.O. Bonds to be classified as "arbitrage bonds" under Section 148 of the Code.

B. It will deposit into and hold all of the G.O. Grant that it receives under this Agreement in a segregated non-interest bearing account until such funds are used for payments for the Project in accordance with the provisions contained herein.

C. It will, upon written request, provide the Commissioner of MMB all information required to satisfy the informational requirements set forth in the Code including, but not limited to, Sections 103 and 148 thereof, with respect to the G.O. Bonds.

D. It will, upon the occurrence of any act or omission by the Public Entity or any Counterparty that could cause the interest on the G.O. Bonds to no longer be tax exempt and upon direction from the Commissioner of MMB, take such actions and furnish such documents as the Commissioner of MMB determines to be necessary to ensure that the interest to be paid on the G.O. Bonds is exempt from federal taxation, which such action may include either: (i) compliance with proceedings intended to classify the G.O. Bonds as a "qualified bond" within the meaning of Section 141(e) of the Code, (ii) changing the nature or terms of the Use Contract so that it complies with Revenue Procedure 97-13, 1997-1 CB 632, or (iii) changing the nature of the use of the Real Property or, if applicable, Facility so that none of the net proceeds of the G.O. Bonds will be used, directly or indirectly, in an "unrelated trade or business" or for any "private business use" (within the meaning of Sections 141(b) and 145(a) of the Code), or (iv) compliance with other Code provisions, regulations, or revenue procedures which amend or supersede the foregoing.

E. It will not otherwise use any of the G.O. Grant, including earnings thereon, if any, or take or permit to or cause to be taken any action that would adversely affect the exemption from federal income taxation of the interest on the G.O. Bonds, nor otherwise

omit, take, or cause to be taken any action necessary to maintain such tax exempt status, and if it should take, permit, omit to take, or cause to be taken, as appropriate, any such action, it shall take all lawful actions necessary to rescind or correct such actions or omissions promptly upon having knowledge thereof.

**Section 5.03 Changes to G.O. Compliance Legislation or the Commissioner's Order.** In the event that the G.O. Compliance Legislation or the Commissioner's Order is amended in a manner that reduces any requirement imposed against the Public Entity, or if the Public Entity's ownership interest in the Real Property or, if applicable, Facility is exempt from the G.O. Compliance Legislation and the Commissioner's Order, then upon written request by the Public Entity the State Entity shall enter into and execute an amendment to this Agreement to implement herein such amendment to or exempt the Public Entity's ownership interest in the Real Property and, if applicable, Facility from the G.O. Compliance Legislation or the Commissioner's Order.

## **Article VI DISBURSEMENT OF GRANT PROCEEDS**

**Section 6.01 The Advances.** The State Entity agrees, on the terms and subject to the conditions set forth herein, to make Advances from the G.O. Grant to the Public Entity from time to time in an aggregate total amount not to exceed the amount of the G.O. Grant. If the amount of G.O. Grant that the State Entity cumulatively disburses hereunder to the Public Entity is less than the amount of the G.O. Grant delineated in Section 1.01, then the State Entity and the Public Entity shall enter into and execute whatever documents the State Entity may request in order to amend or modify this Agreement to reduce the amount of the G.O. Grant to the amount actually disbursed. Provided, however, in accordance with the provisions contained in Section 2.11, the State Entity's obligation to make Advances shall terminate as of the dates specified in such Section even if the entire G.O. Grant has not been disbursed by such dates.

Advances shall only be for expenses that (i) are for those items of a capital nature for the Project, (ii) accrued no earlier than the effective date of the G.O. Bonding Legislation, or (iii) have otherwise been consented to, in writing, by the State Entity and the Commissioner of MMB.

It is the intent of the parties hereto that the rate of disbursement of the Advances shall not exceed the rate of completion of the Project or the rate of disbursement of the matching funds required, if any, under Section 7.23. Therefore, the cumulative amount of all Advances disbursed by the State Entity at any point in time shall not exceed the portion of the Project that has been completed and the percentage of the matching funds required, if any, under Section 7.23 that have been disbursed as of such point in time. This requirement is expressed by way of the following two formulas:

Formula #1

Cumulative Advances  $\leq$  (G.O. Grant)  $\times$  (percentage of matching funds, if any, required under Section 7.23 that have been disbursed)

Formula #2

Cumulative Advances  $\leq$  (G.O. Grant)  $\times$  (percentage of Project completed)

**Section 6.02 Draw Requisitions.** Whenever the Public Entity desires a disbursement of a portion of the G.O. Grant, which shall be no more often than once each calendar month, the Public Entity shall submit to the State Entity a Draw Requisition duly executed on behalf of the Public Entity or its designee. Each Draw Requisition shall be submitted on or between the 1<sup>st</sup> day and the 15<sup>th</sup> day of the month in which an Advance is requested, and shall be submitted at least 7 calendar days before the date the Advance is desired. Each Draw Requisition with respect to construction items shall be limited to amounts equal to: (i) the total value of the classes of the work by percentage of completion as approved by the Public Entity and the State Entity, plus (ii) the value of materials and equipment not incorporated in the Project but delivered and suitably stored on or off the Real Property in a manner acceptable to the State Entity, less (iii) any applicable retainage, and less (iv) all prior Advances.

Notwithstanding anything herein to the contrary, no Advances for materials stored on or off the Real Property will be made by the State Entity unless the Public Entity shall advise the State Entity, in writing, of its intention to so store materials prior to their delivery and the State Entity has not objected thereto.

At the time of submission of each Draw Requisition, other than the final Draw Requisition, the Public Entity shall submit to the State Entity such supporting evidence as may be requested by the State Entity to substantiate all payments which are to be made out of the relevant Draw Requisition or to substantiate all payments then made with respect to the Project.

At the time of submission of the final Draw Requisition which shall not be submitted before completion of the Project, including all landscape requirements and off-site utilities and streets needed for access to the Real Property and, if applicable, Facility and correction of material defects in workmanship or materials (other than the completion of punch list items) as provided in the Construction Contract Documents, the Public Entity shall submit to the State Entity: (i) such supporting evidence as may be requested by the State Entity to substantiate all payments which are to be made out of the final Draw Requisition or to substantiate all payments then made with respect to the Project, and (ii) satisfactory evidence that all work requiring inspection by municipal or other governmental authorities having jurisdiction has been duly inspected and approved by such authorities, and that all requisite certificates of occupancy and other approvals have been issued.

If on the date an Advance is desired the Public Entity has complied with all requirements of this Agreement and the State Entity approves the relevant Draw Requisition and receives a current construction report from the Inspecting Engineer recommending payment, then the State Entity shall disburse the amount of the requested Advance to the Public Entity.

**Section 6.03 Additional Funds.** If the State Entity shall at any time in good faith determine that the sum of the undisbursed amount of the G.O. Grant plus the amount of all other funds committed to the Project is less than the amount required to pay all costs and expenses of any kind which reasonably may be anticipated in connection with the Project, then the State

Entity may send written notice thereof to the Public Entity specifying the amount which must be supplied in order to provide sufficient funds to complete the Project. The Public Entity agrees that it will, within 10 calendar days of receipt of any such notice, supply or have some other entity supply the amount of funds specified in the State Entity's notice.

**Section 6.04 Condition Precedent to Any Advance.** The obligation of the State Entity to make any Advance hereunder (including the initial Advance) shall be subject to the following conditions precedent:

A. The State Entity shall have received a Draw Requisition for such Advance specifying the amount of funds being requested, which such amount when added to all prior requests for an Advance shall not exceed the amount of the G.O. Grant delineated in Section 1.01.

B. The State Entity shall have either received a duly executed Declaration that has been duly recorded in the appropriate governmental office, with all of the recording information displayed thereon, or evidence that such Declaration will promptly be recorded and delivered to the State Entity.

C. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that (i) the Public Entity has legal authority to and has taken all actions necessary to enter into this Agreement and the Declaration, and (ii) this Agreement and the Declaration are binding on and enforceable against the Public Entity.

D. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that the Public Entity has sufficient funds to fully and completely pay for the Project and all other expenses that may occur in conjunction therewith.

E. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that the Public Entity is in compliance with the matching funds requirements, if any, contained in Section 7.23.

F. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, showing that the Public Entity possesses the ownership interest delineated in Section 2.02.

G. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that the Real Property and, if applicable, Facility, and the contemplated use thereof are permitted by and will comply with all applicable use or other restrictions and requirements imposed by applicable zoning ordinances or regulations, and, if required by law, have been duly approved by the applicable municipal or governmental authorities having jurisdiction thereover.

H. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that that all applicable and required building permits, other permits, bonds and licenses necessary for the Project have been paid for, issued, and obtained, other

than those permits, bonds and licenses which may not lawfully be obtained until a future date or those permits, bonds and licenses which in the ordinary course of business would normally not be obtained until a later date.

I. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that that all applicable and required permits, bonds and licenses necessary for the operation of the Real Property and, if applicable, Facility in the manner specified in Section 2.04 have been paid for, issued, and obtained, other than those permits, bonds and licenses which may not lawfully be obtained until a future date or those permits, bonds and licenses which in the ordinary course of business would normally not be obtained until a later date.

J. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that the Project will be completed in a manner that will allow the Real Property and, if applicable, Facility to be operated in the manner specified in Section 2.04.

K. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that the Public Entity has the ability and a plan to fund the operation of the Real Property and, if applicable, Facility in the manner specified in Section 2.04.

L. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that the insurance requirements under Section 7.01 have been satisfied.

M. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, of compliance with the provisions and requirements specified in Section 7.10 and all additional applicable provisions and requirements, if any, contained in Minn. Stat. § 16B.335, as it may be amended, modified or replaced from time to time. Such evidence shall include, but not be limited to, evidence that: (i) the predesign package referred to in Section 7.10.B has, if required, been reviewed by and received a favorable recommendation from the Commissioner of Administration for the State of Minnesota, (ii) the program plan and cost estimates referred to in Section 7.10.C have, if required, received a recommendation by the Chairs of the Minnesota State Senate Finance Committee and Minnesota House of Representatives Ways and Means Committee, and (iii) the Chair of the Minnesota House of Representatives Capital Investment Committee has, if required, been notified pursuant to Section 7.10.G.

N. No Event of Default under this Agreement or event which would constitute an Event of Default but for the requirement that notice be given or that a period of grace or time elapse shall have occurred and be continuing.

O. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that the Contractor will complete the Construction Items substantially in conformance with the Construction Contract Documents and pay all amounts lawfully owing to all laborers and materialmen who worked on the Construction Items or supplied materials therefore, other than amounts being contested in good faith. Such evidence may be in the form of payment and performance bonds in amounts equal to or greater than the

amount of the fixed price or guaranteed maximum price contained in the Construction Contract Documents that name the State Entity and the Public Entity dual obligees thereunder, or such other evidence as may be acceptable to the Public Entity and the State Entity.

P. No determination shall have been made by the State Entity that the amount of funds committed to the Project is less than the amount required to pay all costs and expenses of any kind that may reasonably be anticipated in connection with the Project, or if such a determination has been made and notice thereof sent to the Public Entity under Section 6.03, then the Public Entity has supplied, or has caused some other entity to supply, the necessary funds in accordance with such section or has provided evidence acceptable to the State Entity that sufficient funds are available.

Q. The Public Entity has supplied to the State Entity all other items that the State Entity may reasonably require.

**Section 6.05 Construction Inspections.** The Public Entity and the Architect, if any, shall be responsible for making their own inspections and observations of the Construction Items, and shall determine to their own satisfaction that the work done or materials supplied by the Contractors to whom payment is to be made out of each Advance has been properly done or supplied in accordance with the Construction Contract Documents. If any work done or materials supplied by a Contractor are not satisfactory to the Public Entity or the Architect, if any, or if a Contractor is not in material compliance with the Construction Contract Documents in any respect, then the Public Entity shall immediately notify the State Entity, in writing. The State Entity and the Inspecting Engineer, if any, may conduct such inspections of the Construction Items as either may deem necessary for the protection of the State Entity's interest, and that any inspections which may be made of the Project by the State Entity or the Inspecting Engineer, if any, are made and all certificates issued by the Inspecting Engineer, if any, will be issued solely for the benefit and protection of the State Entity, and the Public Entity will not rely thereon.

## **Article VII MISCELLANEOUS**

**Section 7.01 Insurance.** The Public Entity shall, upon acquisition of the ownership interest delineated in Section 2.02, insure the Facility, if such exists, in an amount equal to the full insurable value thereof (i) by self insuring under a program of self insurance legally adopted, maintained and adequately funded by the Public Entity, or (ii) by way of builders risk insurance and fire and extended coverage insurance with a deductible in an amount acceptable to the State Entity under which the State Entity and the Public Entity are named as loss payees. If damages which are covered by such required insurance occur, then the Public Entity shall, at its sole option and discretion, either: (y) use or cause the insurance proceeds to be used to fully or partially repair such damage and to provide or cause to be provided whatever additional funds that may be needed to fully or partially repair such damage, or (z) sell its ownership interest in the damaged Facility and portion of the Real Property associated therewith in accordance with the provisions contained in Section 4.01.

If the Public Entity elects to only partially repair such damage, then the portion of the insurance proceeds not used for such repair shall be applied in accordance with the provisions contained in Section 4.02 as if the Public Entity's ownership interest in the Real Property and Facility had been sold, and such amounts shall be credited against the amounts due and owing under Section 4.02 upon the ultimate sale of the Public Entity's ownership interest in the Real Property and Facility. If the Public Entity elects to sell its ownership interest in the damaged Facility and portion of the Real Property associated therewith, then such sale must occur within a reasonable time period from the date the damage occurred and the cumulative sum of the insurance proceeds plus the proceeds of such sale must be applied in accordance with the provisions contained in Section 4.02, with the insurance proceeds being so applied within a reasonable time period from the date they are received by the Public Entity.

The State Entity agrees to and will assign or pay over to the Public Entity all insurance proceeds it receives so that the Public Entity can comply with the requirements that this Section imposes thereon as to the use of such insurance proceeds.

If the Public Entity elects to maintain general comprehensive liability insurance regarding the Real Property and, if applicable, Facility, then the Public Entity shall have the State Entity named as an additional named insured therein.

The Public Entity may require a Counterparty to provide and maintain any or all of the insurance required under this Section; provided that the Public Entity continues to be responsible for the providing of such insurance in the event that the Counterparty fails to provide or maintain such insurance.

At the written request of either the State Entity or the Commissioner of MMB, the Public Entity shall promptly furnish to the requesting entity all written notices and all paid premium receipts received by the Public Entity regarding the required insurance, or certificates of insurance evidencing the existence of such required insurance.

If the Public Entity fails to provide and maintain the insurance required under this Section, then the State Entity may, at its sole option and discretion, obtain and maintain insurance of an equivalent nature and any funds expended by the State Entity to obtain or maintain such insurance shall be due and payable on demand by the State Entity and bear interest from the date of advancement by the State Entity at a rate equal to the lesser of the maximum interest rate allowed by law or 18% per annum based upon a 365-day year. Provided, however, nothing contained herein, including but not limited to this Section, shall require the State Entity to obtain or maintain such insurance, and the State Entity's decision to not obtain or maintain such insurance shall not lessen the Public Entity's duty to obtain and maintain such insurance.

**Section 7.02 Condemnation.** If after the Public Entity has acquired the ownership interest delineated in Section 2.02 all or any portion of the Real Property and, if applicable, Facility is condemned to an extent that the Public Entity can no longer comply with the provisions contained in Section 2.04, then the Public Entity shall, at its sole option and discretion, either: (i) use or cause the condemnation proceeds to be used to acquire an interest in

additional real property needed for the Public Entity to continue to comply with the provisions contained in Section 2.04 and, if applicable, to fully or partially restore the Facility and to provide or cause to be provided whatever additional funds that may be needed for such purposes, or (ii) sell the remaining portion of its ownership interest in the Real Property and, if applicable, Facility in accordance with the provisions contained in Section 4.01. Any condemnation proceeds which are not used to acquire an interest in additional real property or to restore, if applicable, the Facility shall be applied in accordance with the provisions contained in Section 4.02 as if the Public Entity's ownership interest in the Real Property and, if applicable, Facility had been sold, and such amounts shall be credited against the amounts due and owing under Section 4.02 upon the ultimate sale of the Public Entity's ownership interest in the remaining Real Property and, if applicable, Facility. If the Public Entity elects to sell its ownership interest in the portion of the Real Property and, if applicable, Facility that remains after the condemnation, then such sale must occur within a reasonable time period from the date the condemnation occurred and the cumulative sum of the condemnation proceeds plus the proceeds of such sale must be applied in accordance with the provisions contained in Section 4.02, with the condemnation proceeds being so applied within a reasonable time period from the date they are received by the Public Entity.

As recipient of any of condemnation awards or proceeds referred to herein, the State Entity agrees to and will disclaim, assign or pay over to the Public Entity all of such condemnation awards or proceeds it receives so that the Public Entity can comply with the requirements that this Section imposes upon the Public Entity as to the use of such condemnation awards or proceeds.

**Section 7.03 Use, Maintenance, Repair and Alterations.** The Public Entity shall (i) keep the Real Property and, if applicable, Facility, in good condition and repair, subject to reasonable and ordinary wear and tear, (ii) complete promptly and in good and workmanlike manner any building or other improvement which may be constructed on the Real Property and promptly restore in like manner any portion of the Facility, if applicable, which may be damaged or destroyed thereon and pay when due all claims for labor performed and materials furnished therefore, (iii) comply with all laws, ordinances, regulations, requirements, covenants, conditions and restrictions now or hereafter affecting the Real Property or, if applicable, Facility, or any part thereof, or requiring any alterations or improvements thereto, (iv) keep and maintain abutting grounds, sidewalks, roads, parking and landscape areas in good and neat order and repair, (v) comply with the provisions of any Real Property/Facility Lease if the Public Entity's ownership interest in the Real Property and, if applicable, Facility, is a leasehold interest, (vi) comply with the provisions of any easement if its ownership interest in the Real Property and, if applicable, Facility is by way of such easement, and (vii) comply with the provisions of any condominium documents and any applicable reciprocal easement or operating agreements if the Real Property and, if applicable, Facility, is part of a condominium regime or is subject to a reciprocal easement or use agreement.

The Public Entity shall not, without the written consent of the State Entity and the Commissioner of MMB, (a) permit or suffer the use of any of the Real Property or, if applicable, Facility, for any purpose other than the purposes specified in Section 2.04, (b) remove, demolish or substantially alter any of the Real Property or, if applicable, Facility, except such alterations as

may be required by laws, ordinances or regulations or such other alterations as may improve such Real Property or, if applicable, Facility by increasing the value thereof or improving its ability to be used to operate the Governmental Program thereon or therein, (c) do any act or thing which would unduly impair or depreciate the value of the Real Property or, if applicable, Facility, (d) abandon the Real Property or, if applicable, Facility, (e) commit or permit any waste or deterioration of the Real Property or, if applicable, Facility, (f) remove any fixtures or personal property from the Real Property or, if applicable, Facility, that was paid for with the proceeds of the G.O. Grant unless the same are immediately replaced with like property of at least equal value and utility, or (g) commit, suffer or permit any act to be done in or upon the Real Property or, if applicable, Facility, in violation of any law, ordinance or regulation.

If the Public Entity fails to maintain the Real Property and, if applicable, Facility in accordance with the provisions contained in this Section, then the State Entity may perform whatever acts and expend whatever funds that are necessary to so maintain the Real Property and, if applicable, Facility and the Public Entity irrevocably authorizes and empowers the State Entity to enter upon the Real Property and, if applicable, Facility, to perform such acts as may be necessary to so maintain the Real Property and, if applicable, Facility. Any actions taken or funds expended by the State Entity hereunder shall be at its sole option and discretion, and nothing contained herein, including but not limited to this Section, shall require the State Entity to take any action, incur any expense, or expend any funds, and the State Entity shall not be responsible for or liable to the Public Entity or any other entity for any such acts that are undertaken and performed in good faith and not in a negligent manner. Any funds expended by the State Entity to perform such acts as may be necessary to so maintain the Real Property and, if applicable, Facility shall be due and payable on demand by the State Entity and bear interest from the date of advancement by the State Entity at a rate equal to the lesser of the maximum interest rate allowed by law or 18% per annum based upon a 365 day year.

**Section 7.04 Records Keeping and Reporting.** The Public Entity shall maintain or cause to be maintained books, records, documents and other evidence pertaining to the costs or expenses associated with the Project and operation of the Real Property and, if applicable, Facility needed to comply with the requirements contained in this Agreement, the G.O. Compliance Legislation, the Commissioner's Order, and the G.O. Bonding Legislation, and upon request shall allow or cause the entity which is maintaining such items to allow the State Entity, auditors for the State Entity, the Legislative Auditor for the State of Minnesota, or the State Auditor for the State of Minnesota, to inspect, audit, copy, or abstract, all of such items. The Public Entity shall use or cause the entity which is maintaining such items to use generally accepted accounting principles in the maintenance of such items, and shall retain or cause to be retained (i) all of such items that relate to the Project for a period of 6 years from the date that the Project is fully completed and placed into operation, and (ii) all of such items that relate to the operation of the Real Property and, if applicable, Facility for a period of 6 years from the date such operation is initiated.

**Section 7.05 Inspections by State Entity.** Upon reasonable request by the State Entity and without interfering with the normal use of the Real Property and, if applicable, Facility, the Public Entity shall allow and will require any entity to whom it leases, subleases, or enters into a

Use Contract for any portion of the Real Property and, if applicable, Facility to allow the State Entity to inspect the Real Property and, if applicable, Facility.

**Section 7.06 Data Practices.** The Public Entity agrees with respect to any data that it possesses regarding the G.O. Grant, the Project, or the operation of the Real Property and, if applicable, Facility, to comply with all of the provisions and restrictions contained in the Minnesota Government Data Practices Act contained in Chapter 13 of the Minnesota Statutes that exists as of the date of this Agreement and as such may subsequently be amended, modified or replaced from time to time.

**Section 7.07 Non-Discrimination.** The Public Entity agrees to not engage in discriminatory employment practices regarding the Project, or operation or management of the Real Property and, if applicable, Facility, and it shall, with respect to such activities, fully comply with all of the provisions contained in Chapters 363A and 181 of the Minnesota Statutes that exist as of the date of this Agreement and as such may subsequently be amended, modified or replaced from time to time.

**Section 7.08 Worker's Compensation.** The Public Entity agrees to comply with all of the provisions relating to worker's compensation contained in Minn. Stat. §§ 176.181 subd. 2 and 176.182, as they may be amended, modified or replaced from time to time, with respect to the Project and the operation or management of the Real Property and, if applicable, Facility.

**Section 7.09 Antitrust Claims.** The Public Entity hereby assigns to the State Entity and the Commissioner of MMB all claims it may have for over charges as to goods or services provided with respect to the Project, and operation or management of the Real Property and, if applicable, Facility that arise under the antitrust laws of the State of Minnesota or of the United States of America.

**Section 7.10 Review of Plans and Cost Estimates.** The Public Entity agrees to comply with all applicable provisions and requirements, if any, contained in Minn. Stat. § 16B.335, as it may be amended, modified or replaced from time to time, for the Project, and in accordance therewith the Public Entity agrees to comply with the following provisions and requirements if such provisions and requirements are applicable.

A. The Public Entity shall provide all information that the State Entity may request in order for the State Entity to determine that the Project will comply with the provisions and requirements contained in Minn. Stat. § 16B.335, as it may be amended, modified or replaced from time to time.

B. Prior to its proceeding with design activities for the Project the Public Entity shall prepare a predesign package and submit it to the Commissioner of Administration for the State of Minnesota for review and comment. The predesign package must be sufficient to define the purpose, scope, cost, and projected schedule for the Project, and must demonstrate that the Project has been analyzed according to appropriate space and needs standards. Any substantial changes to such predesign package must be submitted to the Commissioner of Administration for the State of Minnesota for review and comment.

C. If the Project includes the construction of a new building, substantial addition to an existing building, a substantial change to the interior configuration of an existing building, or the acquisition of an interest in land, then the Public Entity shall not prepare final plans and specifications until it has prepared a program plan and cost estimates for all elements necessary to complete the Project and presented them to the Chairs of the Minnesota State Senate Finance Committee and Minnesota House of Representatives Ways and Means Committee and the chairs have made their recommendations, and it has notified the Chair of the Minnesota House of Representatives Capital Investment Committee. The program plan and cost estimates must note any significant changes in the work to be performed on the Project, or in its costs, which have arisen since the appropriation from the legislature for the Project was enacted or which differ from any previous predesign submittal.

D. The Public Entity must notify the Chairs of the Minnesota State Senate Finance Committee, the Minnesota House of Representatives Capital Investment Committee and the Minnesota House of Representatives Ways and Means Committee of any significant changes to the program plan and cost estimates referred to in Section 7.10.C.

E. The program plan and cost estimates referred to in Section 7.10.C must ensure that the Project will comply with all applicable energy conservation standards contained in law, including Minn. Stat. §§ 216C.19 to 216C.20, as they may be amended, modified or replaced from time to time, and all rules adopted thereunder.

F. If any of the G.O. Grant is to be used for the construction or remodeling of the Facility, then both the predesign package referred to in Section 7.10.B and the program plan and cost estimates referred to in Section 7.10.C must include provisions for cost-effective information technology investments that will enable the occupant of the Facility to reduce its need for office space, provide more of its services electronically, and decentralize its operations.

G. If the Project does not involve the construction of a new building, substantial addition to an existing building, substantial change to the interior configuration of an existing building, or the acquisition of an interest in land, then prior to beginning work on the Project the Public Entity shall just notify the Chairs of the Minnesota State Senate Finance Committee, the Minnesota House of Representatives Capital Investment Committee and the Minnesota House of Representatives Ways and Means Committee that the work to be performed is ready to begin.

H. The Project must be: (i) substantially completed in accordance with the program plan and cost estimates referred to in Section 7.10.C, (ii) completed in accordance with the time schedule contained in the program plan referred to in Section 7.10.C, and (iii) completed within the budgets contained in the cost estimates referred to in Section 7.10.C.

Provided, however, the provisions and requirements contained in this Section only apply to public lands or buildings or other public improvements of a capital nature, and shall not apply to

the demolition or decommissioning of state assets, hazardous material projects, utility infrastructure projects, environmental testing, parking lots, exterior lighting, fencing, highway rest areas, truck stations, storage facilities not consisting primarily of offices or heated work areas, roads, bridges, rails, pathways, campgrounds, athletic fields, dams, floodwater retention systems, water access sites, harbors, sewer separation projects, water and wastewater facilities, port development projects for which the Commissioner of Transportation for the State of Minnesota has entered into an assistance agreement under Minn. **Section 7.11 Prevailing Wages.** The Public Entity agrees to comply with all of the applicable provisions contained in Chapter 177 of the Minnesota Statutes, and specifically those provisions contained in Minn. Stat. §§ 177.41 through 177.435, as they may be amended, modified or replaced from time to time with respect to the Project and the operation of the Governmental Program on or in the Real Property and, if applicable, Facility. By agreeing to this provision, the Public Entity is not acknowledging or agreeing that the cited provisions apply to the Project or the operation of the Governmental Program on or in the Real Property and, if applicable, Facility.

**Section 7.12 Liability.** The Public Entity and the State Entity agree that they will, subject to any indemnifications provided herein, be responsible for their own acts and the results thereof to the extent authorized by law, and they shall not be responsible for the acts of the other party and the results thereof. The liability of the State Entity and the Commissioner of MMB is governed by the provisions contained in Minn. Stat. § 3.736, as it may be amended, modified or replaced from time to time. If the Public Entity is a “municipality” as such term is used in Chapter 466 of the Minnesota Statutes that exists as of the date of this Agreement and as such may subsequently be amended, modified or replaced from time to time, then the liability of the Public Entity, including but not limited to the indemnification provided under Section 7.13, is governed by the provisions contained in such Chapter 466.

**Section 7.13 Indemnification by the Public Entity.** The Public Entity shall bear all loss, expense (including attorneys’ fees), and damage in connection with the Project and operation of the Real Property and, if applicable, Facility, and agrees to indemnify and hold harmless the State Entity, the Commissioner of MMB, and the State of Minnesota, their agents, servants and employees from all claims, demands and judgments made or recovered against the State Entity, the Commissioner of MMB, and the State of Minnesota, their agents, servants and employees, because of bodily injuries, including death at any time resulting therefrom, or because of damages to property of the State Entity, the Commissioner of MMB, or the State of Minnesota, or others (including loss of use) from any cause whatsoever, arising out of, incidental to, or in connection with the Project or operation of the Real Property and, if applicable, Facility, whether or not due to any act of omission or commission, including negligence of the Public Entity or any contractor or his or their employees, servants or agents, and whether or not due to any act of omission or commission (excluding, however, negligence or breach of statutory duty) of the State Entity, the Commissioner of MMB, or the State of Minnesota, their employees, servants or agents.

The Public Entity further agrees to indemnify, save, and hold the State Entity, the Commissioner of MMB, and the State of Minnesota, their agents and employees, harmless from all claims arising out of, resulting from, or in any manner attributable to any violation by the Public Entity, its officers, employees, or agents, or by any Counterparty, its officers, employees, or agents, of any provision of the Minnesota Government Data Practices Act, including legal fees and disbursements paid or incurred to enforce the provisions contained in Section 7.06.

The Public Entity's liability hereunder shall not be limited to the extent of insurance carried by or provided by the Public Entity, or subject to any exclusions from coverage in any insurance policy.

**Section 7.14 Relationship of the Parties.** Nothing contained in this Agreement is intended or should be construed in any manner as creating or establishing the relationship of co-partners or a joint venture between the Public Entity, the State Entity, or the Commissioner of MMB, nor shall the Public Entity be considered or deemed to be an agent, representative, or employee of the State Entity, the Commissioner of MMB, or the State of Minnesota in the performance of this Agreement, the Project, or operation of the Real Property and, if applicable, Facility.

The Public Entity represents that it has already or will secure or cause to be secured all personnel required for the performance of this Agreement and the Project, and the operation and maintenance of the Real Property and, if applicable, Facility. All personnel of the Public Entity or other persons while engaging in the performance of this Agreement, the Project, or the operation and maintenance of the Real Property and, if applicable, Facility shall not have any contractual relationship with the State Entity, the Commissioner of MMB, or the State of Minnesota, and shall not be considered employees of any of such entities. In addition, all claims that may arise on behalf of said personnel or other persons out of employment or alleged employment including, but not limited to, claims under the Workers' Compensation Act of the State of Minnesota, claims of discrimination against the Public Entity, its officers, agents, contractors, or employees shall in no way be the responsibility of the State Entity, the Commissioner of MMB, or the State of Minnesota. Such personnel or other persons shall not require nor be entitled to any compensation, rights or benefits of any kind whatsoever from the State Entity, the Commissioner of MMB, or the State of Minnesota including, but not limited to, tenure rights, medical and hospital care, sick and vacation leave, disability benefits, severance pay and retirement benefits.

Section 7.17 **Waiver.** Neither the failure by the Public Entity, the State Entity, or the Commissioner of MMB, as a third party beneficiary of this Agreement, in any one or more instances to insist upon the complete and total observance or performance of any term or provision hereof, nor the failure of the Public Entity, the State Entity, or the Commissioner of MMB, as a third party beneficiary of this Agreement, to exercise any right, privilege, or remedy conferred hereunder or afforded by law shall be construed as waiving any breach of such term, provision, or the right to exercise such right, privilege, or remedy thereafter. In addition, no delay on the part of the Public Entity, the State Entity, or the Commissioner of MMB, as a third party beneficiary of this Agreement, in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude other or further exercise thereof or the exercise of any other right or remedy.

Section 7.18 **Entire Agreement.** This Agreement, the Declaration, and the documents, if any, referred to and incorporated herein by reference embody the entire agreement between the Public Entity and the State Entity, and there are no other agreements, either oral or written, between the Public Entity and the State Entity on the subject matter hereof.

Section 7.21 **Time of Essence.** Time is of the essence with respect to all of the matters contained in this Agreement.

Section 7.22 **Counterparts.** This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but such counterparts shall together constitute one and the same instrument.

Section 7.23 **Matching Funds.** The Public Entity must obtain and supply the following matching funds, if any, for the Project: At least **\$14,000,000.00**.

Any matching funds which are intended to meet the above requirements must either be in the form of (i) cash monies, (ii) legally binding commitments for money, or (iii) equivalent funds or contributions, including equity, which have been or will be used to pay for the Project. The Public Entity shall supply to the Commissioner of MMB whatever documentation the Commissioner of MMB may request to substantiate the availability and source of any matching funds, and the source and terms relating to all matching funds must be consented to, in writing, by the Commissioner of MMB.

Section 7.24 **Source and Use of Funds.** The Public Entity represents to the State Entity and the Commissioner of MMB that **Attachment III** is intended to be and is a source and use of funds statement showing the total cost of the Project and all of the funds that are available for the completion of the Project, and that the information contained in such **Attachment III** correctly and accurately delineates the following information.

**Section 7.29 Applicability to Real Property and Facility.** This Agreement applies to the Public Entity's ownership interest in the Real Property and if a Facility exists to the Facility. The term "if applicable" appearing in conjunction with the term "Facility" is meant to indicate that this Agreement will apply to a Facility if one exists, and if no Facility exists then this Agreement will only apply to the Public Entity's ownership interest in the Real Property.
