The **Downtown Public Realm Framework Plan** is a thematic plan led by the City. It is a policy document focused on guiding the enhancement of priority streets and public spaces. It will provide a unified vision to inform and coordinate public and private investments in the public realm.

The **Downtown Service Area Master Plan**, led by the MPRB, will set the vision for future park and recreation development in the downtown area, and establish a new, urban model for service delivery, maintenance, funding, and operation of parks in downtown Minneapolis.
