NOTICE OF DECISION

The City of Minneapolis has completed the Environmental Assessment Worksheet (EAW) process for the L&H Station project located on the property at 2225 East Lake Street in Minneapolis. On February 27, 2015, the City Council decided to not order the development of an Environmental Impact Statement (EIS), therefore making a Negative Declaration, and adopting the Findings of Fact and Record of Decision document. This City Council action was approved by the Mayor on March 6, 2015, and was published in the Finance and Commerce newspaper on March 7, 2015.

Copies of the EAW and the Findings of Fact and Record of Decision document are available for review in the office of the City's CPED, Land Use, Design and Preservation Section at 250 S. 4th Street, Room 300 Public Service Center. Copies of these documents can also be provided to individuals upon request by Becca Farrar-Hughes, Senior Planner, phone; 612-673-3594; email: rebecca.farrar@minneapolismn.gov.

The EAW, other reports and studies, and the Findings of Fact and Record of Decision for this EAW are also available for review on the City of Minneapolis web site: http://www.ci.minneapolis.mn.us/cped/planning/cped_eaw.
