

An Initiative of

We are looking forward to seeing you! We have several items to share and information we are looking forward to getting your thoughts on our progress. We are particularly hoping you will participate in and pass on the information about our interactive mapping tool.

Tell us about how you use downtown parks and public spaces! We want to know more about what you do and how you get around. The interactive map allows you to share ideas about a specific park or place, the path you take to get there, and how you'd improve the experience. Please click here to share your thoughts. <http://bit.ly/pathwaystoplaces>

The **Downtown Public Realm Framework Plan** is a thematic plan led by the City. It is a policy document focused on guiding the enhancement of priority streets and public spaces. It will provide a unified vision to inform and coordinate public and private investments in the public realm.

The **Downtown Service Area Master Plan**, let by the MPRB, will set the vision for future park and recreation development in the downtown area, and establish a new, urban model for service delivery, maintenance, funding, and operation of parks in downtown Minneapolis.
