Arena Reserve Special Revenue Fund

Background

The Arena Reserve Special Revenue Fund accounts for the maintenance and operation of the City-funded portion of the Target Center. The day to day operations are managed by AEG, one of the leading sports and entertainment presenters in the world. The City pays AEG an annual operator reimbursement for contracted services for operating and promoting the Target Center.

The entertainment tax directed to the Arena Fund reflects entertainment tax proceeds generated from Target Center activities. Also, the Arena Fund is credited with a transfer from the Parking Fund, per Council action and the long-term Target Center finance plan. This transfer reflects the estimated parking revenue received from events at Target Center.

The Arena Reserve Fund also receives financing from three Tax Incremental Financing (TIF) sources: The Arena TIF District, the Consolidated TIF District and the Common Project. These revenues are restricted for specific purposes, such as debt service, capital expenses, and certain administrative costs.

2012 Projections

In 2012, the unrestricted Arena revenue, before the \$2.0 million capital contribution from AEG, is projected to finish at \$4.397 million which is above the \$3.933 million budget. The Target Center is having a good year with a large increase in Timberwolves event attendance and several large concerts and events. Due to this increased activity, entertainment tax is projected to be \$1.3 million, \$400,000 over budget. For the year, total capital investments are projected at \$4.13 million, including the \$2.0 million capital contribution from AEG, as well as an additional \$1.5 million that will be carried forward for completion in 2013.

2013 Budget

Revenues

Revenues from the TIF sources are budgeted to be \$7.4 million, a reduction of \$700,000 from 2012 projections. Entertainment tax revenues are budgeted at \$1.3 million, consistent with the current projected 2012 levels and the parking revenue transfer is budgeted at \$3.1 million. In addition, \$92,000 is budgeted for base property taxes paid by the primary tenant of the Arena.

Expenditures

The major expenditure funded with the TIF revenue in the 2013 budget is \$5.3 million of existing debt service. In addition, TIF revenue is budgeted to fund \$2.25 million in capital improvements in 2013 as well as \$100,000 in administrative costs. Budgeted expenditures funded with other non-TIF sources include an additional \$1.8 million in capital improvements, \$20,000 in administrative costs and a \$1.47 million operator reimbursement.

Renovation project

The 2013 budget contemplates a significant renovation project for the Arena and the public realm surrounding it. To finance the City's share of the project, it is likely that the City will issue taxable general obligation bonds, with local sales tax revenues being the primary revenue source for debt service on these bonds. Negotiations have commenced with AEG, the Timberwolves/Lynx and LifeTime Fitness to discuss each party's contribution to the overall project. As a result of these negotiations, it is possible that certain of the financial inter-relationships among the parties may change. The current 2013 budget includes a placeholder to reflect the financial impact of the renovation within the Arena Reserve Fund. \$2.5 million in annual local sales tax revenues has been identified to fund an estimated \$2.5 million in new debt service obligations on an annual basis which is reflected in the budget as an expense. As negotiations progress, and the sizing and timing of any new debt issuance and revised financial ramifications become more certain, the information in the financial schedule for the Arena Reserve Fund will be revised.

Mayor's Recommended Budget

The Mayor recommended no changes to this fund.

Council Adopted Budget

The Council adopted the Mayor's recommendation.
