## LABOR AGREEMENT

Between

CITY OF MINNEAPOLIS

and

PLUMBERS UNION, LOCAL NO. 15  
AFL-CIO

**THIS AGREEMENT**, hereinafter referred to as the *Labor Agreement* or the *Agreement*, is made and has been entered into effective the 1st day of January, 2014 by and between the City of Minneapolis, the *Employer*, and the Plumbers Union, Local No. 15, AFL-CIO, the *Union*. The Employer and the Union, the *Parties*, agree to be bound by the following terms and provisions:

Additionally, and in recognition of the unique obligations of all formal organizations to affirmatively address harassment and hostility in the work place, the Parties pledge to eliminate hostility and harassment in the workplace. The employer shall take disciplinary action and the Union shall impose sanction on any employee who, through objective means, is found to have committed such acts of hostility or harassment. Discipline and/or sanction for hostility or harassment shall not be subject to the Grievance Procedure contained in Article 4 of this Agreement. "Objective means" shall mean "determined by a body independent of the employing department administration."

### ARTICLE 1 RECOGNITION AND UNION SECURITY

#### Section 1.01 - Recognition and Amendments to Unit

##### Subd. 1. Recognition

The Employer recognizes the Union as the sole and exclusive certified collective bargaining representative of all employees whose job classifications and rates of pay are set forth in Appendix "A" of this Agreement, except those who are Supervisors and Confidential employees within the meaning of the *Minnesota Public Employment Labor Relations Act*, as amended, those who are otherwise excluded by the Act, and all other employees.

##### Subd. 2. Amendment to Certified Unit

Disputes which arise between the Employer and the Union over the inclusion or exclusion of any job classifications may be referred by either Party to the Commissioner, Bureau of Mediation Services, State of Minnesota, for determination in accordance with applicable statutory provisions. Determination by the Commissioner shall be subject to such review and determination as is provided by statute and such rules and regulations as are promulgated there under. In the event the Employer has established a new job classification which is added to the bargaining unit by agreement between the Parties or by determination of the Commissioner, Bureau of Mediation Services, State of Minnesota, the Parties agree to negotiate with one another concerning wages and such other terms and conditions of employment as may be applicable to the position and which are not covered by this Agreement. However, it is agreed that all other terms and provisions of the Agreement shall apply to the new job classification.

## **Section 1.02 - Union Dues and Fair Share Fees Check-Off**

### Subd. 1. Union Dues Payroll Deductions

In recognition of the Union as the exclusive representative, the Employer shall deduct an amount sufficient to provide the payment of the regular monthly Union membership dues uniformly established by the Union from the wages of all employees who have authorized, in writing, such deduction on a form designated and furnished by the Union. The Union shall certify to the Employer, in writing, the current amount of regular monthly membership dues which it has uniformly established for all members. Such deductions shall be cancelled by the Employer upon a written request made by the involved employee to the Union with a copy to the appropriate departmental payroll office.

### Subd. 2. Fair Share Fees Payroll Deductions

In accordance with *Minnesota Statutes* §179A.06, Subd. 3, the Employer shall, upon notification by the Union, deduct a *fair share fee* from all certified employees who are not members of the Union. This fee shall be an amount equal to the regular membership dues of the Union, less the cost of benefits financed through the dues and available only to members of the Union, but in no event shall the fee exceed eighty-five percent (85%) of the Union's regular membership dues or such amount as may otherwise be allowable by law. The Union shall certify to the Employer, in writing, the current amount of the fair share fee to be deducted as well as the names of bargaining unit employees required by the Union to pay the fee.

### Subd. 3. Time of Deductions

The Employer shall deduct Union dues and fair share fees each payroll period. In the event an employee covered by the provisions of this section has insufficient pay due to cover the required deduction, the Employer shall have no further obligations to effect subsequent deductions for the involved payroll period.

#### Subd. 4. Remittance

The Employer shall remit such Union dues and fair share fees deductions made pursuant to the provisions of this section to the appropriate designated officer of the Union within fifteen (15) calendar days of the date of the deduction along with a list of the names of the employees from whose wages deductions were made and not made.

#### Subd. 5. General Administration

The following shall be applicable to the administration of the provisions of this section:

a. All certifications from the Union as to the amounts of deductions to be made as well as notifications by the Union and/or bargaining unit employees as to changes in deductions must be received by the Employer at least fourteen (14) calendar days in advance of the date upon which the deduction is scheduled to be made in order for any change to be effected.

b. The Employer shall, upon the request of the Union, but no more frequently than once each calendar quarter, provide the Union with a report showing the names of those employees in the bargaining unit along with their classifications and department locations, mailing addresses of record, Union Code, current rates of pay, and classification/City seniority.

c. When an employee on the dues deduction transfers from one work location within the bargaining unit to another, the deduction of dues shall not be terminated except as directed by the involved employee.

d. No other employee organization shall be granted payroll deduction of dues for employees covered by the Agreement without the express written permission of the Union.

#### Subd. 6. Hold Harmless

The Union agrees to indemnify, defend and hold the Employer, its officers, agents and employees harmless against any and all claims, suits, orders or judgments brought or issued against the Employer, its officers, agents and employees as a result of any action taken or not taken in compliance with the specific provisions of this section or which are taken or not taken at the request of the Union.

### **Section 1.03 - Exclusive Representation**

The Employer shall not enter into any agreements with the employees covered by this Agreement either individually or collectively or with any other employee organization which in any way conflicts with the terms and provisions of this Agreement. Further, the Employer shall meet and negotiate, pursue the resolution of grievances and conduct arbitration proceedings only with the properly designated representative(s) of the Union.

### **Section 1.04 - Union Stewards**

The Union may designate certain bargaining unit employees to act as stewards and shall certify to the Employer, in writing, their names, along with the names of business representatives and/or officers of the

Union who shall be authorized by the Union to investigate and present grievances. The Employer agrees to recognize such representatives, subject to the following:

Subd. 1. Number of Stewards

The Union may designate one (1), but no more than one (1), steward on each shift for each of the Employer's principal work areas from among those employees who work therein.

Subd. 2. Activities of Stewards

Designated and certified stewards shall be granted reasonable time off, with pay, in order to investigate and/or present grievances to the Employer during their normal working hours. Such stewards, however, shall not leave their work stations without first obtaining the permission of their immediate supervisor and shall notify their immediate supervisor upon returning to work. The permission of the supervisor shall not be denied without good cause. When the Parties agree that it is mutually beneficial to have an officer of the Union participate in such presentation and/or investigation, such officer shall also be authorized time off with pay for this purpose. Stewards and other representatives of the Union shall not interfere in any way with the Employer's operation or with the performance of work by its employees. Nothing in this paragraph, however, shall be construed to limit the proper presentation of grievances provided for by this subdivision.

**Section 1.05 - Visitation**

With notice to an available supervisor at a worksite, non-employee representatives of the Union who have been certified to the Employer may come on the worksite for the purpose of investigating and presenting grievances. The Union agrees there shall be no solicitation for membership, signing up of members, collection of initiation fees, dues, fines or assessments, meetings or other Union activities on the Employer's time by such non-employee representatives, the Union's stewards or any officers of the Union.

**Section 1.06 - Bulletin Boards**

The Employer shall provide for the Union's use, reasonable space on designated bulletin boards for the purpose of posting official Union notices. Each posted notice shall bear the signature of the Union representative who has posted the notice and the date of the posting. Such person shall be required to remove the notice once it has served its purpose. The Union shall not post material of a political nature.

**Section 1.07 - Union Membership**

Employees have the right to join or to refrain from joining the Union. Neither the Employer nor the Union nor any of their respective agents or representatives shall discriminate against or interfere with the rights of employees to become or not become members of the Union, and further there shall be no discrimination or coercion against any employee because of Union membership or non-membership. The Union shall, in its responsibility as exclusive representative of the employees, represent all bargaining unit employees without discrimination, interference, restraint, or coercion.

### **Section 1.08 – Plumbers National Pension**

The employer and the Union will explore the feasibility and process necessary to implement the language and contributions required to begin participating in the Plumbers National Pension Fund. Upon mutual consent to the above, and at the request of the Union, the Employer agrees it will modify the language and financial terms of the agreement in order to implement the required contributions.

## **ARTICLE 2** **MANAGEMENT RIGHTS**

The Union recognizes the right of the Employer to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. All rights and authority which the Employer has not officially abridged, delegated or modified by the express terms and provisions of this Agreement are retained by the Employer.

## **ARTICLE 3** **NO STRIKE - NO LOCKOUT**

### **Section 3.01 - No Strike**

The Union, its officers or agents, or any of the employees covered by this Agreement shall not cause, instigate, encourage, condone, engage in, or cooperate in any strike, work slowdown, mass resignation, mass absenteeism, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part of the full, faithful and proper performance of the duties of employment during the term of this Agreement.

### **Section 3.02 - No Lockout**

The Employer agrees that neither it, its officers, agents nor representatives, individually or collectively, will authorize, institute or condone any lockout of employees during the term of this Agreement.

### **Section 3.03 - Violations by Employees**

Any employee who violates any provision of this article may be subject to disciplinary action, including discharge.

## **ARTICLE 4** **SETTLEMENT OF DISPUTES**

### **Section 4.01 – Scope**

This article shall apply to all members of the bargaining unit.

## **Section 4.02 – Letter of Inquiry**

Any employee may file a “letter of inquiry” which requests information on salary, working conditions and/or benefits. Such “letter of inquiry” is available from the business agent or steward. The business agent shall process the letter of inquiry. Where the business agent believes it necessary, he/she may request in writing from the Director, Employee Services information to enable a response to the inquiry. The information requested shall be provided by the Director, Employee Services within ten (10) workdays of receipt of the request. The business agent will respond to the member.

## **Section 4.03 – Informal Problem Resolution**

From time to time, violations relating to the application of this agreement may arise. Many of these violations can be resolved informally. An alleged violation that cannot be resolved informally is called a grievance.

## **Section 4.04 – Definition, Timelines and Form**

A grievance is any matter concerning the interpretation, application, or alleged violation of any currently effective agreement between the Employer and the Union. Grievances shall be resolved in the manner outlined in this article.

### **Subd. 1. Time Limits**

Time limits, as specified in the grievance procedure, may be extended by written mutual agreement of the Parties. The failure of the Employer to comply with any time limit herein means that the Union may automatically process the grievance to the next step of the grievance procedure. Failure of the Union or its employees to comply with any time limit herein renders the alleged violation untimely and no longer subject to the grievance procedure.

### **Subd. 2. Commencement of Grievance**

A grievance must be commenced at step one no later than ten (10) days from the discovery of the grievable event(s) or from when the event(s) reasonably should have been discovered, or ten (10) days from the filing of a letter of inquiry, whichever is earlier. Unless otherwise expressed, days shall mean calendar days.

### **Subd. 3. Grievance Forms**

Forms for the grievance procedure will be developed jointly.

### **Subd. 4. Cooperation**

The Employer will cooperate with the Union to expedite the grievance procedure to the maximum extent practical.

#### **Section 4.05 - Step One (Immediate Supervisor)**

An employee shall inform the immediate supervisor of the grievance in writing on the standard grievance form.

If an employee expressly requests a discussion with the immediate supervisor concerning the written grievance, such discussion shall take place within seven (3) days after filing the grievance unless the time is mutually extended. The discussion with the immediate supervisor shall be held with one of the following:

- A. The employee accompanied by a Union representative;
- B. The Union representative alone if the employee so requests;
- C. The employee alone on his/her behalf.

Within ten (10) workdays after the grievance is filed or the discussion meeting concludes, whichever is later, the immediate supervisor shall state his/her decision, in writing, together with the supporting reasons, and shall furnish one (1) copy to the employee who filed the grievance, one (1) copy to the business agent, and one (1) copy to the Director, Employee Services. Each step one decision shall be clearly identified as a "step one decision."

#### **Section 4.06 - Step Two (Department Head)**

If the step one decision is not satisfactory, a written appeal may be filed by the Union with the department head within ten (10) days of the date of the step one decision. A copy of the appeal shall be sent to the Director, Employee Services.

Upon request of either party, all persons who participated at step one, or all necessary persons shall have a reasonable opportunity to be heard at step two. If a meeting is requested by the Union, the department head shall schedule a meeting. Notification of at least three (3) workdays shall be given to the Union.

Within twenty (20) workdays after the meeting or the receipt of the appeal, whichever is later, the department head shall present a written decision to the Union. The step two decision shall clearly identify that answer as a "step two decision."

#### **Section 4.07 - Step Three (Director of Human Resources or his/her Designee)**

**ARTICLE 5**  
**EMPLOYEE DISCIPLINE AND DISCHARGE**

When used in this Agreement, the terms *City seniority* and *classification seniority* shall have the meanings given them below:

#### **Subd. 1. City Seniority Defined**

*City seniority* is defined as the length of uninterrupted employment with the Employer and based on the date of the employee's first day of employment as a City employee.

#### **Subd. 2. Classification Seniority Defined**

*Classification seniority* is defined as the length of employment within a job classification and based on the date the employee began working in that classification on a permanent basis.

### **Section 6.03 – Seniority as a result of Mergers or Collapsing Titles**

Employees shall retain their respective classification seniority when merging or collapsing titles under the same jurisdiction and grade level.

When merging or collapsing titles where the result provides a promotion or is cross-jurisdictional, classification seniority shall be established as the date the new title becomes effective. The provisions herein shall become effective on January 1, 1998 and shall be applicable to all Job Postings conducted for the purpose of filling vacant bargaining unit positions. The provisions of the previous Agreement between the Parties shall be applicable to the administration of all Job Postings conducted prior to January 1, 1998 and to all Requisition Lists then in effect.

### **Section 7.02 – Job Postings and Applications**

#### Subd. 1. Job Postings

Job Postings, when offered, shall be posted for a period of not less than ten (10) calendar days. The Job Posting shall set forth the title, salary, nature of work to be performed, minimum qualifications, the place and manner of making applications and the closing date applications will be received. The Employer may establish a definite or an indefinite closing date for the filing of applications. If the Employer has established an indefinite closing date, it must notify employees of any fixed closing date, later determined, by a posting adjacent to the originally posted Job Posting. An applicant's eligibility for promotion begins on the date their name was added to a Requisition List. Job Postings for newly created positions and/or for

positions for which the title, salary, nature of work to be performed and/or minimum qualifications are materially different from the Job Postings previously used, shall not be finalized by the Employer until the affected Union representative has had an opportunity to review the proposed Job Posting and provide the Union's input into the Job Posting development process. A copy of the Examination Plan in its final form shall be furnished to the Union at least seven (7) calendar days prior to its approval.

#### Subd. 2. Stated Qualifications

The minimum qualifications set forth in the Job Posting shall be related to the job duties of the involved position and shall include applicable education, training, experience, skills and abilities required. Such minimum qualifications shall not, however, include artificial and/or irrelevant time-in-grade, promotional line and/or grade level requirements.

#### Subd. 4. Job Postings

The Employer may, in its discretion, conduct an External Job Posting (i.e., one which includes employee and non-employee or *outside* applicants) in the event there are fewer than seven (7) internal applicants who meet the stated minimum Job Posting requirements for positions below grade level seven (7) or fewer than ten (10) such internal applicants for all other positions. In such cases, all internal qualified applicants shall be permitted to take the required examination and in all cases, the Employer may advertise an open position internally and externally simultaneously and a maximum of seven (7) outside applicants may be tested. For purposes of this article, applicants from the Minneapolis Library Board, the Minneapolis Board of Education and the Minneapolis Park and Recreation Board shall be considered as "outside" applicants.

### **Section 7.03 - Examination of Qualified Applicants**

#### Subd. 1. Examination Times

#### Subd. 2. Testing

All applicants who meet the minimum stated qualification requirements for the Job Posting may be tested. The Employer may, however, at its discretion, limit the number of applicants to be tested on the basis of the applicants' City seniority and on the basis of an objective review of each applicant's relevant

education, training and experience, i.e., an *application review* and/or on the basis of successive testing limitations subject to the following provisions:

- a. If seniority/application review limitations apply, an equal number of applicants shall be selected on the basis of seniority and application review, respectively.
- b. If successive testing limitations apply, tested applicants shall be selected for further testing on the basis of their actual test scores and the highest scoring applicants only shall be further tested.
- c. If either of the testing limitations described above are to be used, the details of the limitation(s) shall be outlined by the Job Posting referred to in Section 7.02, Subd. 1 of this article.

When utilized, the Employer may elect to test all or any percentages of the applicants for any given Job Posting on the announced basis.

### Subd. 3. Examination Scores

Applicants shall receive a total examination score the components of which shall be weighted as follows:

- a. Eighty percent (80%) of the total examination score shall be based upon the results of each applicant's test score(s). Such tests shall be developed by the Employer and may consist of more than one component.
- b. Twenty percent (20%) of the total examination score shall be based upon each applicant's relative seniority standing with the Employer.

In the event an internal applicant is tested pursuant to an External Job Posting, one hundred percent (100%) of the total examination score shall be based upon the results of the applicant's test score(s).

## **Section 7.04 - Eligibles and Requisition Lists**

### Subd. 1. Passing Score

Each applicant whose 1) total examination score and 2) test score(s) as defined in Section 7.03, Subd. 3 of this article equals or exceeds seventy percent (70%) shall be considered to have passed the examination. There is no *passing score* for the seniority component.

### Subd. 2. Requisition List – Job Postings

The names of those applicants who have passed an examination shall be placed on a Requisition List in descending order of their total examination scores in addition to any Veteran's Preference points, if applicable. In the event two (2) or more eligibles hold identical total examination scores, their names shall be placed on the Requisition List in random order; however, the names of veterans shall always be placed over the names of non-veterans who hold identical scores.

### Subd. 3. List Expiration

The staffing division of the Human Resources Department shall inform applicants of the length of their eligibility by stating it on the job posting and/or by letter.

### **Section 7.05 - Affirmative Action Considerations**

The Employer may certify to the appointing authority additional eligibles who are women, minorities, and/or members of other protected classes which are underutilized with respect to the involved job category for Job Postings other than promotional. Before implementing such *expanded* procedures for Job Postings, however, the Employer shall first:

a. Reach findings of fact that underutilization of women, minorities and/or other protected classes in a given job category exists and form conclusions that such underutilization has been caused by past discriminatory employment practices and that insufficient progress is being made toward the attainment of the Employer's Affirmative Action goals.

b. Serve the findings of fact, conclusions and decision to expand the normal certification procedure on the Union.

c. Allow a twenty (20) calendar day waiting period to elapse prior to any certification of eligibles pursuant to this subdivision. The Union shall have the right to file a grievance under the provisions of Article 4 of this Agreement during the twenty (20) day waiting period. Grievances, if filed, shall be filed with the Employer's Director, Employee Services and may be advanced to the arbitration step if requested by the Union within thirty (30) calendar days thereafter.

### **Section 7.06 - Selection of Certified Eligibles**

The seven (7) highest scoring eligibles on a Requisition List shall be certified to the appointing authority for selection on promotional examinations. On External Job Postings, the three (3) highest scoring eligibles from the bargaining unit will be certified to the appointing authority for selection along with any of the eligibles on the eligibility list which may be certified to the appointing authority for selection. In the event the *expanded* certification procedures outlined by Section 7.05 of this Agreement are in effect, up to three (3) additional eligibles who are women, minorities and/or protected class members may be certified to the appointing authority for selection. Any of the eligibles certified to the appointing authority may be selected to fill the vacant position. The name of the eligible selected shall be removed from the Requisition List.

### **Section 7.07 - Probationary Periods**

An eligible selected to fill a vacant position shall serve an initial or promotional probationary period as applicable. All initial probationary periods shall normally be twelve (12) months in duration and all promotional probationary periods shall be three (3) months in duration provided that promotional probationary periods may be extended for up to an additional three (3) months upon prior notice to the involved employee with a copy to the Union. An employee may be removed from the position at the discretion of the appointing authority. Such removal shall not be subject to the grievance/arbitration provisions of this Agreement. Removal during an employee's initial probationary period shall result in

termination of employment. An employee removed during a promotional probationary period, however, shall have the right to return to a vacant position in his/her previous classification or, if none is available, to his/her previous position. For purposes of this section, one (1) month shall be deemed to be one hundred seventy-four (174) hours of work. Time spent in temporary duty in the position immediately preceding the appointment shall count toward satisfaction of the probationary period, benefits eligibility (without retroactivity), and pay progression requirements.

## **Section 7.08 - Position Audit and Class Maintenance Studies**

### **Subd. 1. Position Audit**

Unless otherwise ordered by a court of competent jurisdiction, an employee who believes that their individual position is reclassified has changed due to as a result of gradual changes over a period of time in the kind, responsibility, or difficulty of the work performed may request that their position be audited to assure proper classification. To request a position audit, the employee must submit a Job Analysis Questionnaire on the form provided by the Human Resources Department. If the audit results in a reclassification of the individual position, no vacancy shall be deemed to have been created. Upon reclassification to a position providing a higher maximum salary, the incumbent employee shall be appointed to the reclassified position and the incumbent employee's pay shall be determined in accordance with Section 9.03, Subd. 1 of this Agreement. The effective date of the reclassification for pay and seniority purposes shall be the date upon which the involved employee submitted a properly completed request for reclassification to the Employer's Human Resources Department with a copy to the involved Department Head or Manager. The provisions of this section shall apply only to the incumbent employee who has been permanently certified to the involved position.

Upon reclassification to a position providing a lower maximum salary, the involved incumbent employee may request that the reclassification be considered to be a layoff. If so requested, the provisions of Article 8 (*Layoff and Recall From Layoff*) shall be applied. In the alternative, the involved incumbent employee may elect to remain in the reclassified position and the incumbent employee's pay shall be determined in accordance with Section 9.03, Subd. 3 of this Agreement.

### **Subd. 2. Class Maintenance Studies**

The Employer may initiate class maintenance studies related to a specific class or a group of positions within a department/division as needed to maintain the integrity of the Employer's classification system. The Employer will consider requests by the Union, a Department, or a Division to initiate such studies. The format of these studies may include an informal survey or an in-depth study of changes in the kind, responsibility, or difficulty of work performed since the classification was last studied.

If a classification or group of positions is reclassified following a class maintenance study to a class providing a higher maximum salary, no vacancy shall be deemed to have been created. Upon reclassification, the incumbent employees shall be appointed to the reclassified position and the incumbent employees' pay shall be determined in accordance with Section 9.03, Subd. 1 of this Agreement. The

effective date of the reclassification for pay purposes shall be January 1<sup>st</sup> of the calendar year following completion of the study. Incumbent employees shall maintain the classification seniority date of their previous classification as the classification seniority date of the new classification. The provisions of this section shall apply only to the incumbent employee who has been permanently certified to the involved positions.

If a class or group of positions are reclassified pursuant to a maintenance study to a class providing a lower maximum salary, the involved incumbent employee may request that the reclassification be considered to be a layoff. If so requested, the provisions of Article 8 (*Layoff and Recall From Layoff*) shall be applied. In the alternative, the involved incumbent employee may elect to remain in the reclassified position and the incumbent employees' pay shall be determined in accordance with Section 9.03, Subd. 3 of this Agreement.

The Human Resources Department will develop an initial schedule of class maintenance studies in conjunction with the Union that provides that each class will be reviewed within six (6) calendar years from the date of execution of this Agreement. Thereafter, Human Resources will develop an on-going schedule of class maintenance studies that provides for a maintenance study on a rotating basis at least once every four (4) calendar years. Such studies may be done more frequently as needed to maintain the integrity of the classification system.

### **Section 7.09 - Lateral Transfers**

Employees may request to be transferred to a vacant position within their classification in another division of the Public Works Department and may be transferred pursuant to such request with the written approval of their division head, the involved appointing authority and the Employer's Director, Employee Services. Such transferred employees shall serve a three (3) month probationary period in the new position. If removed by the appointing authority during the probationary period, the involved employee shall be reassigned to a vacant position within the classification or, if none is available, to their previous position.

### **Section 7.10 - Permits and Details**

The Employer may select employees for temporary duty in other classifications and/or positions (*details*) and/or utilize temporary employees (*permits*) for periods not to exceed the length of an incumbent employee's absence or six (6) consecutive calendar months, whichever is longer. Such limitations shall not be exceeded except by the express written mutual agreement between the Parties.

The temporary release of a *permanent intermittent* employee (i.e., one who is regularly employed on a seasonal, periodic or other recurring basis during the year) shall not be regarded as a *layoff* within the meaning of this article.

**Subd. 3. Bumping**

Employees who are laid off shall have their names placed on a layoff list for their classification. Such employees who have at least two (2) years of City seniority shall have the right to displace (*bump*) the employee of lesser City seniority who was last certified to progressively lower paid classifications previously held permanently (i.e., one in which the probationary period was satisfactorily completed) by the laid off employee and in which job performance was deemed by the Employer to be satisfactory which is lower than the original classification of the laid off employee. In all cases, however, the bumping employee must meet the current minimum qualifications of the claimed position and must be qualified to perform the required work.

**Section 8.02 - Notice of Layoff**

The Employer shall make every reasonable effort under the circumstances to provide affected employees with at least fourteen (14) calendar days notice prior to the contemplated effective date of a layoff.

### **Section 8.03 - Recall from Layoff**

An employee in the classified service who has been laid off may be reemployed without examination in a vacant position of the same class within three (3) years of the effective date of the layoff. Failure to receive an appointment within three (3) years will result in the eligible's name being removed from the list.

### **Section 8.04 - Application and Scope**

For purposes of this article, bargaining unit employees may displace (*bump*) non-bargaining unit employees. Further, non-bargaining unit employees shall be permitted to displace bargaining unit employees. Specifically, the provisions of this article respecting layoff, bumping and recall, shall be applicable to those employees excluded from the bargaining unit by virtue of their supervisory or confidential status.

### **Section 8.05 - Exceptions**

The following exceptions may be observed:

#### **Subd. 1. Mutual Agreement**

If the Employer and the Union agree upon a basis for layoff and reemployment in a certain position or group of positions and such agreement is approved by the City Coordinator or his/her designated representative, employees will be laid off and reemployed upon that basis.

#### **Subd. 2. Emergency Retention**

Regardless of the priority of layoff, an employee may be retained on an emergency basis for up to fourteen (14) calendar days longer to complete an assignment.

## **ARTICLE 9 ARTICLE 9 WAGES AND PAYROLLS**

- e. The MCSC shall maintain appropriate records relating to classification studies and actions, and shall maintain a written class specification for each job class in the classified service describing typical duties and responsibilities of positions in the job class.
- f. The MCSC, in coordination with the Employer's Affirmative Action Program, shall assign appropriate Federal Job Category (*FJC*) designations to each job class.

Disputes respecting the classification of jobs within any bargaining unit shall be directed to the MCSC for review and final action. No dispute respecting the classification of jobs shall be subject to the grievance/arbitration provisions of this Agreement. In the event, either by law or otherwise, the MCSC loses its legal authority to administer the Employer's job classification system during the life of this Agreement, the provisions of this section shall be null and void and the Parties shall meet and negotiate with one another, at the request of either of them, over an appeal procedure or other job classification dispute resolution process.

### **Section 9.02 - Pay Progressions**

All employees shall be eligible to be considered for advancement to the next higher step within the pay range for their classification, if applicable, upon the completion of each twelve (12) months of *actual paid service* (i.e., 2088 compensated hours) in such classification. All increases approved pursuant to this section shall be made effective on the first day of the pay period which includes the date of eligibility.

### **Section 9.03 - Advances and Transfers**

#### **Subd. 1. Advances**

The salary of an employee who advances from one grade to a higher grade shall be the increment nearest the salary last received by such employee in the lower classification plus 5%. The employee shall

be advanced thereafter in accordance with Section 9.02 (*Pay Progressions*) of this article. The provisions of this subdivision shall also be applicable whenever an employee is detailed to perform all or substantially all of the duties of a higher-paid classification but they shall not be applicable to the apprenticeship progressions set forth in Appendix "A" of this Agreement. However, in all instances the employee's rate of pay while serving in the detail shall be calculated using his/her anniversary date in his/her last permanently certified classification. Apprentice employees shall be compensated at the appropriate step based upon their actual paid service within the meaning of Section 9.02 (*Pay Progressions*) of this Agreement and the number of service hours at each apprentice level. An employee who voluntarily demotes to their previously held position within twelve (12) calendar months following promotion shall be returned to the same pay step which was applicable immediately prior to the promotion.

#### Subd. 2. Pay Upon Transfer

When an employee attains a position in another classification which provides for an identical pay progression schedule he/she shall retain the same pay step as was applicable in his/her previous position and the employee shall retain the same anniversary date for future pay increase effective dates.

#### Subd. 3. Pay Upon Demotion

The salary of an employee who voluntarily demotes shall be placed on the salary step on which they would be if they had remained in the position.

The salary of an employee who is demoted for disciplinary reasons from one classification to another which provides for a lower maximum salary, shall be the same step which the employee had before the demotion; however, the employee shall not be placed on a step which provides for a lower salary than the employee had prior to the promotion. Thereafter, the employee shall increase in accordance with Section 9.02 (*Pay Progressions*) of this article.

#### Subd. 4. Pay Upon Detail

The salary of an employee who is detailed to perform all or substantially all of the duties of a higher-paid classification shall be determined by adding five percent (5%) to the salary received in the employee's permanent classification and then finding the salary increment closest to that figure in the new detail classification. When eligible for step advancement on the anniversary date in the permanent classification, the employee's wage will be recalculated, if the increase is not withheld or delayed, based upon their permanent classification. The detail pay will then be based upon the new wage in the permanent classification and in accordance with the above calculation.

### **Section 9.04 - Payrolls and Paydays**

All payrolls shall be calculated on a biweekly basis and employees shall normally be paid every other Friday.

### **Section 9.05 - Benefits Calculations and Accruals**

For purposes of benefit plan administration, all compensated hours (exclusive of overtime hours and workers' compensation, unemployment compensation or similar insured compensation payments) shall be

considered *hours worked* for all benefit accruals provided for by this Agreement. Benefit accruals shall be based upon a proportionate number of straight-time compensated hours only.

### **Section 9.06 – Longevity Pay**

Longevity shall, on an annual basis, be adjusted by the annual wage adjustment.

Nothing herein shall be construed as a guarantee of hours of work per day or per week. There shall be no split shifts and days off shall be scheduled consecutively when reasonably practicable.

#### **Subd. 2. Departures From the Normal Work Schedule**

Should it be necessary for the department to temporarily establish work schedules departing from the normal work schedule, notice of such change shall be given to the employee eight (8) hours in advance when practicable.

Unpaid meal periods \*shall be thirty (30) minutes in duration. Employees shall not normally be assigned any duties or responsibilities during such periods. Employees may be allowed a reasonable period of time in which to clean up prior to the meal period when, in the opinion of the employee's supervisor, such clean-up time is appropriate because of employee contact with toxic chemicals, sewage or extraordinary grime. In no event, however, shall clean-up be permitted to interfere with the normal progress of the project to which the employee is assigned.

#### **Subd. 2. Rest Periods**

One fifteen (15) minute break in the morning shall be granted at a time compatible with the state or progress of the job as defined by the Foreman. The break shall be taken on the work site unless explicitly permitted otherwise by the Foreman with the concurrence of the General Foreman.

When authorized by departmental policy and approved in advance by an eligible employee's supervisor, compensatory time may be granted to employees in lieu of overtime pay. In no case shall overtime pay or compensatory time be granted to employees in grades twelve (12) and above. Overtime pay or compensatory time shall be granted to employees at the rate of one and one-half (1½) times their regular hourly rate of pay for all time worked in excess of eight (8) hours per day or for all time worked in excess of forty (40) hours per week. Compressed work week arrangements, voluntarily agreed upon by employees and their supervisors, shall be exempt from the daily overtime provisions of this paragraph. All work performed by an employee on the seventh (7<sup>th</sup>) consecutive day of work shall be compensated at two (2) times the employee's regular hourly rate of pay, except that employees in the classifications of Water Works Service Worker I and Water Works Service Worker II will only receive the seventh (7<sup>th</sup>) day premium if the seventh (7<sup>th</sup>) consecutive day of work is a result of unscheduled work, emergency, or overtime work.

c. OTC Code 3. Overtime pay or compensatory time shall be granted to employees at the rate of one and one-half (1½) times their regular hourly rate of pay for all time worked in excess of forty (40) hours in any work week.

d. OTC Code 4. Compensatory time shall be granted for all time worked in excess of the normal work week at the rate of one (1) hour of compensatory time for each hour so worked.

A maximum of eighty (80) hours of compensatory time may be accumulated unless the City Council has authorized up to one hundred twenty (120) hours for employees assigned to work on a special project basis or has authorized pay for compensatory time on a special project basis when funds are available for such purposes. Compensatory time, when used, must be scheduled and approved in advance in the same manner as the scheduling and approval of vacation under this Agreement.

### **Subd. 2. No Duplication**

There shall be no duplication or pyramiding of overtime and/or premium rates of pay under the provisions of this Agreement. Compensation shall not be paid more than once for the same hours under any provisions of this Agreement.

## **Section 10.04 - Inclement Weather**

The Employer may temporarily suspend all or a portion of its normal operation in response to inclement weather or other emergency conditions. Official closure announcements shall be made by the Employer through internal means and, where appropriate or necessary, be broadcast by WCCO-AM radio (830 kHz)

and/or other suitable public media. Employees shall be permitted to draw upon accumulated vacation or sick leave benefits or accumulated compensatory time, at their option, to the full extent of the lost compensation due to such closures.

### **Section 10.05 – On Call Pay**

In the event employees are required to stand-by (on call) for duty during normal off-duty hours, they shall be compensated in accordance with the following schedule.

Monday through Fridays:	2 Hours Straight-Time Pay/Day
Saturdays and Sundays:	5 Hours Straight-Time Pay/Day
Holidays:	8 Hours Straight-Time Pay/Day

Employees shall also be paid for hours actually worked during such standby periods at the appropriate rate of pay. **Section 11.02 - Eligibility: Full-Time Employees**

Vacations with pay shall be granted to permanently certified employees who work one-half (½) time or more and who have completed six (6) months of continuous service. Vacation time will be determined on the basis of continuous years of service, including time in an unclassified position immediately preceding appointment or reappointment to a classified position. For purposes of this article, *continuous years of service* shall be determined in accordance with the following:

**Subd. 1. Credit During Authorized Leaves of Absence**

Time on authorized leave of absence without pay, except to serve in an unclassified position, shall not be credited toward years of service, but neither shall it be considered to interrupt the periods of employment before and after leave of absence, provided an employee has accepted employment to the first available position upon expiration of the authorized leave of absence.

### **ARTICLE 13**

#### **LEAVES OF ABSENCE WITHOUT PAY**

#### **Section 13.01 - Leaves of Absence Without Pay**

Leaves of absence without pay may be granted to permanent employees when authorized by Minnesota statute or by the Employer pursuant to the provisions of this article upon written application to the employee's immediate supervisor or his/her designated representative. ### **Subd. 4. School Conference and Activities Leave**

Leaves of absence without pay of up to a total of sixteen (16) hours during any twelve (12) month period for the purpose of attending school, pre-school or child care provider conferences and classroom activities of the employee's child, provided that such conferences and classroom activities cannot be scheduled during non-work hours. When the need for the leave is foreseeable, the employee shall provide reasonable prior notice of the leave to their immediate supervisor and shall make a reasonable effort to schedule the leave so as not to disrupt the operations of the Employer. Employees may use accumulated vacation benefits or accumulated compensatory time for the duration of such leaves.

### **Subd. 5. Family and Medical Leaves**

a. **General.** Pursuant to the provisions of the federal *Family and Medical Leave Act of 1993* and the regulations promulgated there under which shall govern employee rights and obligations as to family and medical leaves wherever they may conflict with the provisions of this subdivision, leaves of absence of up to twelve (12) weeks in any twelve (12) months will be granted to eligible employees who request them for the following reasons:

- (i) for purposes associated with the birth or adoption of a child or the placement of a child with the employee for foster care,

- (ii) when they are unable to perform the functions of their positions because of temporary sickness or disability, and/or
- (iii) when they must care for their parent, spouse, *registered domestic partner* within the meaning of Minneapolis *Code of Ordinances* Chapter 142, child, or other dependents and/or members of their households who have a serious medical condition.
- iv. for any qualifying exigency arising out of the fact that the employee's spouse, registered domestic partner, son, daughter, or parent is a covered military member on active duty or has been notified of an impending call or order to active duty in support of a contingency operation as either a member of the National Guard or Military Reserves or a retired member of the regular armed forces or reserves.

Leaves of absence of up to twenty six (26) weeks in any twelve (12) months will be granted to eligible employees who request them for the following reasons:

- v. for the care of a covered service member who is a current member of the Regular Armed Forces, National Guard, or Reserves who has incurred an injury or illness in the line of duty while on active duty, provided that such injury or illness renders the service member medically unfit to perform the duties of his/her office, grade, rank, or rating. To qualify the employee must be the spouse, registered domestic partner, son, daughter, parent or next of kin of the service member.

Unless an employee elects to use accumulated paid leave benefits while on family and medical leaves (see paragraph "f", below), such leaves are without pay. The Employee's group health, dental and life insurance benefits shall, however, be continued on the same basis as if the employee had not taken the leave.

b. Eligibility - Employees are eligible for family and medical leaves if they have accumulated at least twelve (12) months employment service preceding the request for the leave and they must have worked at least six (6) months during the twelve (12) month period immediately preceding the leave. c. Notice Required - Employees must give thirty (30) calendar days notice of the need for the leave if the need is foreseeable. If the need for the leave is not foreseeable, notice must be given as soon as it is practicable to do so. Employees must confirm their verbal notices for family and medical leaves in writing. Notification requirements may be waived by the Employer for good cause shown.

d. Intermittent Leave - If medically necessary due to the serious medical condition of the employee, or that of the employee's spouse, child, parent, *registered domestic partner* within the meaning of Minneapolis *Code of Ordinances* Chapter 142, or other dependents and/or members of their households who have a serious medical condition, leave may be taken on an intermittent schedule. In cases of the birth, adoption or foster placement of a child, family and medical leave may be taken intermittently only when expressly approved by the Employer.

e. Medical Certification. The Employer may require certification from an attending health care provider on a form it provides. The Employer may also request second medical opinions provided it pays the full cost required.

f. Relationship Between Leave and Accrued Paid Leave - Employees may use accrued vacation, sick leave or compensatory time while on leave. The use of such paid leave benefits will not affect the maximum allowable duration of leaves under this subdivision.

g. Reinstatement - Upon the expiration of family and medical leaves, employees will be returned to an equivalent position within their former job classification. Additional leaves of absence without pay described elsewhere in this Agreement may be granted by the Employer within its reasonable discretion, but reinstatement after any additional leave of absence without pay which may have been granted by the Employer in conjunction with family and medical leaves, is subject to the limitations set forth in Section 13.03 (*Leaves of Absence Governed by this Agreement*) of the Agreement.

### **Section 13.03 - Leaves of Absence Governed by this Agreement**

Such employees, so compensated, shall not be eligible to retain jury duty pay or witness fees and shall turn any such pay or fees received over to the Employer. If an employee is excused from jury duty prior to the end of the normal work day, he/she shall return to work if reasonably practicable or make arrangements for a leave of absence without pay. For purposes of this section, such employees shall be considered to be working normal day shift hours for the duration of their jury duty leave. Any absence, whether voluntary or by legal order to appear or testify in private litigation, not in the status of an employee but as a plaintiff or defendant, shall not qualify for leave under this section. Such absences shall be charged against accumulated vacation, compensatory time or be without pay.

### LETTER OF AGREEMENT Reasonable Suspicion Drug and Alcohol Testing

1. **PURPOSE STATEMENT** - Abuse of drugs and alcohol is a nationwide problem. It affects persons of every age, race, sex and ethnic group. It poses risks to the health and safety of employees of the City of Minneapolis and to the public. To reduce those risks, the City has adopted this LOA concerning drugs and alcohol in the workplace. This LOA establishes standards concerning drugs and alcohol which all employees must meet and it establishes a testing procedure to ensure that those standards are met.

This drug and alcohol testing LOA is intended to conform to the provisions of the Minnesota *Drug and Alcohol Testing in the Workplace Act* (Minnesota Statutes §181.950 through 181.957), as well as the requirements of the federal *Drug-Free Workplace Act of 1988* (Public Law 100-690, Title V, Subtitle D) and related federal regulations. Nothing in this LOA shall be construed as a limitation upon the Employer's obligation to comply with federal law and regulations regarding drug and alcohol testing.

The Human Resources Director is directed to develop and maintain procedures for the implementation and ongoing maintenance of this LOA and to establish training on this LOA and applicable law.

2. **WORK RULES**

No employee shall be under the influence of any drug or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment, except pursuant to a legitimate medical reason or when approved by the Employer as a proper law enforcement activity.
- B. No employee shall use, possess, sell or transfer drugs, alcohol or drug paraphernalia while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery or equipment, except pursuant to a legitimate medical reason, as determined by the Medical Review Officer, or when approved by the Employer as a proper law enforcement activity.

- E. The right of an employee for whom a positive test result on a confirmatory test was the first such result for the employee on a drug or alcohol test requested by the Employer not to be discharged unless the employee has been determined by a Minnesota Licensed Alcohol and Drug Counselor (LADC) or a physician trained in the diagnosis and treatment of chemical dependency to be chemically dependent and the Employer has first given the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with a Minnesota LADC or a physician trained in the diagnosis and treatment of chemical dependency, and the employee has either refused to participate in the counseling or rehabilitation program or has failed to successfully complete the program, as evidenced by withdrawal from the program before its completion;
- F. The right to not be discharged, disciplined, discriminated against, or requested or required to undergo rehabilitation on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test;
- G. The right, if suspended without pay, to be reinstated with back pay if the outcome of the confirmatory test or requested confirmatory retest is negative;
- H. The right to not be discharged, disciplined, discriminated against, or required to be rehabilitated on the basis of medical history information revealed to the Employer concerning the reliability of, or explanation for, a positive test result unless the employee was under an affirmative duty to provide the information before, upon, or after hire;
- I. The right to review all information relating to positive test result reports and other information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken based on the reports or acquired information;
- J. The right to suffer no adverse personnel action if a properly requested confirmatory retest does not confirm the result of an original confirmatory test using the same drug or alcohol threshold detection levels as used in the original confirmatory test.
- K. The right to suffer no adverse personnel action based solely on the fact that the employee is requested to submit to a test.

## 8. ACTION AFTER TEST

The Employer will not discharge, discipline, discriminate against, or request or require rehabilitation of an employee solely on the basis of requesting that an employee submit to a test or the existence of a positive test result from an initial screening test that has not been verified by a confirmatory test.

A. **Positive Test Result.** Where there has been a positive test result in a confirmatory test and in any confirmatory retest (if the employee requested one), the Employer will do the following unless the employee has furnished a legitimate medical reason for the positive test result:

1. **First Offense** - The employee will be referred for an evaluation by an LADC or a physician trained in the diagnosis and treatment of chemical dependency. If that evaluation determines that the employee has a chemical dependency or abuse problem, the Employer will give the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with an LADC or a physician trained in the diagnosis and treatment of chemical dependency. If the employee either refuses to participate in the counseling or rehabilitation program or fails to successfully complete the program, as evidenced by withdrawal or discharge from the program before its completion, the Employer may impose discipline, up to and including discharge.
2. **Second Offense** - Where an employee tests positive, and the employee has previously participated in one program of treatment required by the Employer, the Employer may discharge the employee from employment.

B. **Suspensions and Transfers.**

1. **Pending Test Results From an Initial Screening Test or Confirmatory Test.** While awaiting the results from the Medical Review Officer, the employee shall be allowed to return to work unless the Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public, and the conduct upon which the employee became subject to drug and alcohol testing would, independent of the of the results of the test, be grounds for discipline. In such circumstances, the employer may temporarily suspend the tested employee with pay, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay.

2. **Pending Results of Confirmatory Retest. Confirmatory retests of the original sample are at the employee's own expense.** When an employee requests that a confirmatory retest be conducted, the employer may place the employee on unpaid leave, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay provided the Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public. An employee placed on unpaid leave may use his/her accrued and unused vacation or compensatory time during the time of leave. An employee who has been placed on unpaid leave must be made whole if the outcome of the confirmatory retest is negative.

3. **Rights of Employee in Event of Work Restrictions.** In situations where the employee is not allowed to remain at work until the end of his/her normal work day pursuant to this paragraph B, the Employer may not prevent the employee from removing his/her personal property, including but not limited to the employee's vehicle, from the Employer's premises. If the employer reasonably believes that upon early dismissal from work under this paragraph the employee is about to commit a criminal offense by operating a motor vehicle while impaired by drugs or alcohol, the Employer may advise the employee that 911 will be called if the employee attempts to drive or call 911 before dismissing the employee from work so that a law enforcement officer may determine whether the employee is able to operate a motor vehicle legally. This LOA is not applicable with regard to any such determination by a law enforcement officer.

C. **Other Misconduct** - Nothing in this LOA limits the right of the Employer to discipline or discharge an employee on grounds other than a positive test result in a confirmatory test, subject to the requirements of law, the rules of the Civil Service Commission, and the terms of any applicable collective bargaining agreement. For example, if evidence other than a positive test result indicates that an employee engaged in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace, the employee may receive a warning, a written reprimand, a suspension without pay, a demotion, or a discharge from employment, depending upon the circumstances, and subject to the above requirements.

D. **Other Consequences** – Other actions may be taken pursuant to Civil Service Rules, collective bargaining agreements or laws.

E. **Treatment Program Testing** – The Employer may request or require an employee to undergo drug and alcohol testing if the employee has been referred by the employer for chemical dependency treatment or evaluation or is participating in a chemical dependency

treatment program under an employee benefit plan, in which case the employee may be requested or required to undergo drug or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two years following completion of any prescribed chemical dependency treatment program.

## 9. DATA PRIVACY

The purpose of collecting a body component sample is to test that sample for the presence of drugs or alcohol or their metabolites. A sample provided for drug or alcohol testing will not be tested for any other purpose. The name, initials and social security number of the person providing the sample are requested so that the sample can be identified accurately but confidentially. Information about medications and other information relevant to the reliability of, or explanation for, a positive test result is requested to ensure that the test is reliable and to determine whether there is a legitimate medical reason for any drug or alcohol in the sample. All data collected, including that in the notification form and the test report, is intended for use in determining the suitability of the employee for employment. The employee may refuse to supply the requested data; however, refusal to supply the requested data may affect the person's employment status. The Employer will not disclose the test result reports and other information acquired in the drug or alcohol testing process to another employer or to a third party individual, governmental agency, or private organization without the written consent of the person tested, unless permitted by law or court order.

## 10. APPEAL PROCEDURES

- A. Employees may appeal discipline imposed under this LOA through the Dispute Resolution Procedure contained in the Collective Bargaining Agreement (i.e. grievance procedure) or to the Minneapolis Civil Service Commission.
- B. Concerning disciplinary actions taken pursuant to this drug and alcohol testing LOA, available Civil Service Commission appeal procedures are as follows:
  - 1) Non-Veterans on Probation: An employee who has not completed the probationary period and who is not a Veteran has no right of appeal to the Civil Service Commission.
  - 2) Non-Veterans After Probation: An employee who has completed the probationary period and who is not a Veteran has a right to appeal to the Civil Service Commission only a suspension of over thirty (30) days, a permanent demotion (including salary decreases), or a discharge, if the employee submits a notice of appeal within ten (10) calendar days of the date of mailing by the Employer of notice of the disciplinary action.
  - 3) Veterans: An employee who is a Veteran has a right to appeal to the Civil Service Commission a permanent demotion (including salary decreases), or a discharge, if the

employee submits a notice of appeal within sixty (60) calendar days of the date of mailing by the Employer of notice of the disciplinary action, regardless of status with respect to the probationary period. An employee who is a Veteran has a right to appeal to the Civil Service Commission a suspension of over thirty (30) days if the employee submits a notice of appeal within ten (10) calendar days of the date of mailing by the Employer of notice of the disciplinary action. An employee who is a Veteran may have additional rights under the Veterans Preference Act, *Minnesota Statutes* §197.46.

- C. All notices of appeal to the Civil Service Commission must be submitted in writing to the Minneapolis Civil Service Commission, 250 South 4<sup>th</sup> Street - Room #100, Minneapolis, MN 55415-1339.
- D. An employee may elect to seek relief under the terms of his/her collective bargaining agreement by contacting the appropriate Union and initiating grievance procedures in lieu of taking an appeal to the Civil Service Commission.

## 11. EMPLOYEE ASSISTANCE

**LETTER OF AGREEMENT  
Job Bank and Related Matters**

The above-entitled Parties are signatory to a Labor Agreement which is currently in force (the “Labor Agreement”). This Letter of Agreement outlines additional agreements reached by the Parties during the course of collective bargaining which resulted in the making of the Agreement and which the Parties now desire to confirm.

**GENERAL PROVISIONS**

The Employer has created a *Job Bank* as a component of its resources allocation (budget) process. The purpose of the Job Bank is to assist the Employer and its employees during a time of major restructuring and change caused by unyielding demands for municipal service in the face of decreasing funding. It is the Employer’s intention, to the extent feasible under these circumstances, to identify employment opportunities for employees whose positions are eliminated through reassignment, retraining and out-placement support. One of the purposes of the Job Bank process is to minimize, to the extent possible, the disruption normally associated with contractual “bumping” and layoff procedures to both the Employer and affected employees.

The Job Bank process shall be administered in a manner which is consistent with the Employer’s desire to treat affected employees with dignity and respect at a difficult time in their relationship and to provide as much information and assistance to them as may be reasonably possible and practical within the limited resources available.

The term “Recall List” as used in this Agreement means the list of employees who are laid off from employment with the City or removed from their position by reason of a reduction in the size of the workforce, and who retain a right to return to their prior job classification pursuant to the terms of the Labor Agreement and/or Civil Service rules.

**JOB BANK PROCESS AND PROCEDURE**

**I. Job Bank Assignment**

1. Regular (*permanently certified*) employees whose positions are eliminated shall receive formal, written notification to that effect from the appointing authority of the

department to which they are assigned. If a position is to be eliminated in any department, the employee with the least amount of seniority in the particular job class within the impacted division/department will be placed in the job bank, regardless of performance, assignment, function or other consideration. For the purposes of this section, a division is defined as an operational unit headed by a supervisory director or deputy who reports directly to a department head. If a department is of such a size as to have no distinct divisions, the department shall be treated as a division. Whether the layoff will be implemented relative to the least senior in a division or department will be determined by the terms of the Labor Agreement covering the impacted positions.

2. Such employees shall be assigned to the Job Bank. Employees whose positions have been eliminated based on the Employer's regular annual budget process, including the Mayor's proposed budget and/or the final annual City budget as passed by the City Council, or as otherwise ordered by the City Council, are entitled to a sixty (60) day tenure in the job bank. All positions eliminated based on the Mayor's proposed budget and/or the final annual City budget as passed by the City Council must be so eliminated after the Mayor's proposed budget is announced but no later than January 1, of the next budget cycle (unless the department/division intends to eliminate at a later date as part of their final annual budget for that year). Employees whose positions have been eliminated based on any mid-cycle budget or revenue reductions not controlled by the Mayor and the City Council, are entitled to a thirty (30) day tenure in the job bank, or until they are reassigned, whichever may first occur. All such employees in the Job Bank shall have extended job bank services for as long as they remain on a recall list. During such period such laid off employees shall form a pool for "restricted examination" for positions for which they may be qualified. The employee will notify the City of their interest in being considered. The Union will assist in notifying these employees of vacancies to be filled. A permit position shall be considered a "vacancy" if it is in a job classification impacted by the workforce reduction and if more than 60 days remain on the permit.
3. Permit and temporary employees whose employment is terminated are not eligible for Job Bank assignment or benefits. Certified temporary employees shall, however, be eligible for the Job Bank activities described in paragraphs 2(c) below.

## **II. Job Bank Activities**

1. While affected employees are assigned to the Job Bank, they shall continue in their positions with no change in pay or benefits. While so assigned, however, affected employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties at a different location as determined by the Employer.
2. While affected employees are assigned to the Job Bank, the Employer shall make reasonable efforts to identify vacant positions within its organization which may

provide continuing employment opportunities and which may be deemed suitable for affected employees by all concerned.

- a. **Lateral Transfer.** Employees may request to be transferred to a vacant position in another job classification at the same MCSC Grade level provided they meet the minimum qualifications for the position.
  - i. **Seniority Upon Transfer.** In addition to earning job classification seniority in their new title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they have transferred is later eliminated. In the event the transfer is to a formerly held job classification, seniority in the new (formerly held) title shall run from the date upon which they were first certified to the former classification.
  - ii. **Pay Upon Transfer.** The employee's salary in the new position will be their former salary or that of the next available step in the pay progression schedule for the new title which provides for an increase in salary if no equal pay progression step exists. If the employee's salary in the former position is greater than the maximum salary applicable to the new title, the employee's salary will be *red circled* until the maximum salary for the new title meets the employees' red circled rate. Such employees shall, however, be eligible for fifty percent (50%) of the negotiated general increase occurring during the term of the Agreement. Lateral transfers shall not affect anniversary dates of employment for pay progression purposes.
  - iii. **Probationary Periods.** Employees transferring to a different title will serve a six (6) calendar month probationary period. In the event the probationary period is not satisfactorily completed, the affected employee shall be returned to Job Bank assignment and the employee's "bumping", layoff or transfer rights under the Agreement or other applicable authority shall be restored to the same extent such rights existed prior to the employee taking the probationary position. Upon the affected employee's first such return to the Job Bank, the employee shall be entitled to remain in the Job Bank for the greater of ten (10) business days, or the duration of the applicable Job Bank period, as determined under Article I, paragraph 2, that remained as of the date the employee began in the probationary position. The rate of compensation for the remainder of the employee's time in the Job Bank will be the same as the rate in effect as of the employee's last day in the probationary position. Return to the Job Bank terminates the

employee's work in the probationary assignment and, therefore, time served following the return to the Job Bank shall not be construed to count toward the completion of the probationary period.

- b. **Reassignment.** The Employer reserves the right to transfer an employee in the Job Bank to a new position and/or duty location within their job classification at a time determined to be appropriate by the Employer. Such reassignments terminate the affected employee's assignment to the Job Bank. If the Labor Agreement covering the job classification of the employee reassigned under this paragraph specifically permits a probationary period upon reassignment, the provisions of subparagraph a.iii., above, shall apply as if the reassignment had been a transfer.
- c. **Recall Rights.** Employees who accept a position out of the Job Bank or who bump into a previously held position, or leave City employment on layoff shall retain recall rights to the title they held when assigned to the Job Bank in accordance with the collective bargaining agreement at the time of placement in the Job Bank.
- d. **Filling Vacant Positions.** During the time the procedures outlined herein are in effect, position vacancies to be filled shall first be offered to regular employees who have a contractual right to be recalled to a position in the involved job classification or who may have a right to "bump" or transfer to the position, as the case may be. In such circumstances, the seniority provisions of the Agreement shall be observed. If no regular employee has a contractual right to the position, the following shall be given consideration in the order (priority) indicated below:

- 1<sup>st</sup> Priority: Qualified Job Bank employees
- 2<sup>nd</sup> Priority: Employees on a recall list
- 3<sup>rd</sup> Priority: Employee applicants from a list of eligibles
- 4<sup>th</sup> Priority: Displaced certified temporary employees
- 5<sup>th</sup> Priority: Non-employee applicants from a list of eligibles

The qualifications of an employee in the Job Bank or on a recall list shall be reviewed to determine whether he/she meets the qualifications for a vacant position. Whether the employee can be trained for a position within a reasonable time (not to exceed three months) shall be considered when determining the qualifications of an employee. If it is determined that the employee does not meet the qualifications for a vacant position, the employee may appeal to the Director of Human Resources. If it is determined that an employee in the Job Bank is qualified for a vacant position, the employee shall be selected. The appointing authority may appeal the issue of whether the employee is qualified. The dispute shall be

presented to and resolved by the Job Bank Steering Committee.

If it is determined that an employee on a recall list is qualified for a vacant position, the employee will be given priority consideration and may be selected. Appeals regarding employees on a recall list and their qualifications for a position will be handled by the Civil Service Commission.

The grievance procedure under the Labor Agreement shall not apply to determinations as to qualifications of the employee for a vacant position.

3. During their assignment to the Job Bank, affected employees will be provided an opportunity to meet with the Employer's Placement Coordinator to discuss such matters as available employment opportunities with the Employer, skills assessments, training and/or retraining opportunities, out-placement assistance and related job transition subjects. Involvement in these activities will be at the discretion of the employee. Further, affected employees will be granted reasonable time off with pay for the purpose of attending approved skills assessment, training and job search activities. Displaced certified temporary employees are eligible for the benefits described in this paragraph. These services shall be provided to the Job Bank employee at no cost to the employee.

### **III. Layoff, Bumping and Retirement Considerations**

1. A "Primary Impact Employee" is an employee who enters the Job Bank due to the elimination of his/her position. A "Secondary Impact Employee" is an employee who enters the Job Bank because he/she may be displaced by a Primary Impact Employee. All affected employees may exercise the displacement, "bumping" and/or layoff rights immediately. A Primary Impact Employee must exercise displacement or bumping rights within forty-five (45) days of entering the Job Bank (or within twenty-two [22] days of entering the Job Bank for an employee entitled to 30-days in the Job Bank). A Primary Impact Employee who exercises his/her displacement or bumping rights within the first thirty (30) days from entering the Job Bank (within the first fifteen [15] days for an employee entitled to 30-days in the Job Bank) shall have 8 hours added to the employee's vacation bank. A Secondary Impact Employee must exercise his/her displacement or bumping rights within seven (7) calendar days of being displaced or bumped. Displacement and bumping rights shall be forfeited unless exercised by the deadlines specified in this paragraph or in the provisions of 2.a *iii*, Lateral Transfers, above. Regardless of when bumping rights are exercised, any change in the compensation of the employee resulting from the exercise of bumping rights shall not take effect until after the employee's term in the Job Bank would have expired had the employee remained in the Job Bank for the maximum period.

2. If an affected employee is unable to exercise any “bumping” rights, or forfeits their bumping rights, under the Agreement or other authority and has not been placed in another City position, the employee shall be laid off and placed on the appropriate recall list with all rights pursuant to the relevant Labor Agreement provisions, if any, and all applicable Civil Service rules. In addition, they shall be eligible for the benefits described as follows:
  - (a) The level of coverage, single or family, shall continue at the level of coverage in effect for the laid off employee as of the date of layoff.
  - (b) The health/dental plan that shall be continued shall be the plan in effect for the employees as of the date of layoff.
  - (c) The City shall pay one hundred (100) percent of the premiums for the first six (6) months of COBRA continuance at the level of coverage and plan selected by the employee and in effect on the date of the layoff.

The terms of this provision relating to the continuation of insurance benefits will expire on December 31, 2013. The City Council must take specific action to extend these terms relating to the continuation of insurance benefits if the City Council wants those specific insurance benefits to apply to laid off employees after December 31, 2013.

3. If eligible, affected employees may elect retirement from active employment under the provisions of an applicable pension or retirement plan. In such event, affected employees will be eligible for any available Retirement Incentive that is agreed to by the Parties.

**IV. Dispute Resolution.** Disputes regarding the application or interpretation of this Agreement are subject to the grievance procedure under the Labor Agreement between the parties, except as specifically provided here. A dispute regarding the application or interpretation of this Agreement that needs to be resolved during an employee’s time in the Job Bank may be submitted to the Job Bank Steering Committee. The decision of the Job Bank Steering Committee will be binding on the parties. Submission to the Job Bank Steering Committee shall not preclude the filing of a grievance on the issue. However, the decision of the Steering Committee shall be admissible in an arbitration hearing on such grievance.

The provisions of this *Letter of Agreement* associated with the Job Bank Program shall become effective upon the approval of the Employer’s Council and Mayor. The Job Bank procedures outlined herein shall be observed after the negotiated termination date of the Labor Agreement between the Parties, and expire on December 31, 2014.

To the extent that there is any conflict between the terms of this *Letter of Agreement* and the Labor Agreement, the Labor Agreement shall prevail.

**NOW THEREFORE**, the Parties have caused this *Letter of Agreement* to be executed by their duly authorized representative whose signatures appear below.

**LETTER OF AGREEMENT  
Return to Work/Job Bank Program**

The above-entitled Parties are signatory to a Labor Agreement which most recently took effect on January 1, 2014. This Letter of Agreement outlines additional agreements reached by the Parties during the course of the collective bargaining which resulted in the making of the Agreement and which the Parties now desire to confirm.

**GENERAL PROVISIONS OF THE RETURN TO WORK PROGRAM:**

The employee’s Return to Work Program provides for the timely return to work of employees injured on the job who have temporary and/or permanent restrictions. This program will assist active employees in finding temporary assignments within their medical restrictions; it is not intended to provide services to temporary employees or sworn employees. Participation in the Return to Work Program is based on a medical release to return to work. Upon receipt of the medical release, the employer shall make every effort to provide appropriate work activity within three (3) working days of the receipt of the medical release.

If there is a question about the employee’s medical release, the City’s consulting physician shall make the final determination of an employee’s ability to return to work. If the employer is unable to offer appropriate work within the employee’s limitations, the employer shall provide for the employer’s portion of the health care benefit while the employee is in the Return to Work Program. Continuing eligibility in the Return to Work Program is based upon receipt of medical data documenting the employee’s functional improvement. In addition, compliance with the Workers’ Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.860, applicable rules and this Agreement is mandatory. Compliance will be monitored by the Claims Coordinators/a Return to Work Coordinator. Failure to comply with the requirements of this program may result in termination of their participation. Compliance with the program will be determined by the employer.

**RETURN TO WORK PROCESS:**

Eligibility: Injured, non-sworn, City employees who have been permanently certified or appointed and were injured on the job after June 1, 1995.

**RTW – Phase I**

When an injured employee receives medical restrictions that prevent return to the preinjury job, the employee is placed in the Return to Work Program. Placement attempts for injured employees shall first be to the employee's existing job, if restrictions permit, then to modified duty assignments within the employee's originating unit, then to modified duty assignments within the employee's originating department. If no modified duty assignment is currently available in the employee's department, placement will take place through a citywide search. The employee will continue to receive his/her pre-injury salary and benefits for the first thirty (30) days after the medical release with restrictions. While so assigned, however, injured employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties in a different location, as determined by the Employer.

### **RTW – Phase II**

If continued medical restrictions prevent the employee from returning to the preinjury position, the employee shall continue in the Return to Work Program until Maximum Medical Improvement (MMI) and/or permanent restrictions are reached. After the initial thirty (30) days of temporary assignment the employee will be detailed to a job classification that most accurately reflects the duties he/she will be performing. Wage losses attributable to assignment to a modified duty assignment or due to restrictions that reduce time at work will be paid at the temporary partial disability rate, in accordance with the Workers' Compensation Act.

If at any time during this Program the employee does not follow the work restrictions of the physician or refuses a light duty temporary assignment, they will be removed from the program.

### **RTW – Phase III**

#### **JOB BANK PROCESS:**

The employer has created a Job Bank component to the Return to Work Program. The purpose of the Return to Work/Job Bank Program is to assist the injured worker in returning to a different job within the City if the employee is unable to perform the duties of the preinjury position as a result of a work injury arising out of and in the course of employment for the City. It is the employer's intention, to the extent feasible under the circumstances, to identify employment opportunities for employees through reassignment, retraining and out-placement support. One of the goals of the Return to Work/Job Bank is to minimize, to the extent possible, the disruption normally associated with work-related injuries and return to work in alternative assignments. Mutual cooperation and participation is necessary in order to accomplish this objective.

1. Eligibility: When the injured employee reaches Maximum Medical Improvement (MMI) and/or permanent restrictions and those restrictions prevent the employee from returning to the preinjury position, he/she shall be afforded the Job Bank Program if one so exists.
2. The services and benefits of the Job Bank will apply to employees injured on the job as long as the employee complies with the Workers' Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.860, applicable rules and this Agreement. Employee compliance will be determined by the City. These services and benefits include:
  - a) 120-day tenure
  - b) Job interviews/Placement opportunities

- c) Skills assessment
  - d) Training opportunities
  - e) Job-seeking classes
  - f) Health insurance continuation, if separated from employment, as provided for in the Minneapolis Code of Ordinances, §20.900.
3. Employees will be offered a temporary light duty assignment consistent with his/her restrictions. If the employee declines the temporary light duty assignment he/she will have the option to use any accrued paid leave and will remain eligible for other Job Bank benefits. If the employee accepts the temporary light duty assignment he/she will receive the preinjury salary while in the Job Bank Program. Such salary will be paid by the Workers' Compensation fund.
  4. Any Family Medical Leave for which the employee is eligible will run concurrently with the employee's tenure in the Job Bank and with his/her use of accrued paid leave.
  5. The department that the employee came from has the primary responsibility for finding temporary assignments for the employee while in the Job Bank. The Return to Work Coordinator/Claims Coordinator and Qualified Rehabilitation Consultant will aid in determining alternate assignments if the original department is unable to identify temporary assignments.
  6. If the injured worker has not been placed in a permanent position after one hundred twenty (120) calendar days, he/she will be separated from City service.
  7. Failure to participate in a diligent job search or to comply with the requirements of the Workers' Compensation Law during participation in the Return to Work or Job Bank program may result in termination of Job Bank services and benefits.
  8. An employee has no further tenure in the Job Bank Program after a formal job offer has been made.

**Filling Vacant Positions:**

During the time the procedures outlined herein are in effect, position vacancies will be filled based on the employees' qualifications. During their assignment to the Job Bank, injured workers will be provided an opportunity to meet with a City Placement Coordinator to discuss such matters as available employment opportunities with the City, skills assessments, training and/or retraining opportunities, out placement assistance and related job transition subjects. Further, affected employees will be granted reasonable time off with pay for the purpose of attending approved skills assessment training and job search activities.

- **Lateral Transfer.** Employees may request to be transferred to a vacant position in another job classification at the same MCSC grade level provided they meet the minimum qualifications for the position.
- **Seniority Upon Transfer.** In addition to earning job classification seniority in their new title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they

**LETTER OF AGREEMENT  
Regular Rate of Pay and Overtime Calculations  
for City of Minneapolis’ Non-exempt Employees**

**WHEREAS**, the labor unions representing non-exempt employees in the City of Minneapolis have demanded for the first time to negotiate terms and conditions of employment associated with overtime eligibility and payment; and

**WHEREAS**, the labor unions have elected, and the City of Minneapolis (herein after “Employer”) has agreed, to handle these negotiations in a coalition format using the Minneapolis Board of Business Agents (herein after “MBBA”) (jointly the “Parties”) to represent all unions with non-exempt members; and

**WHEREAS**, the Parties have determined that overtime compensation practices should be clearly articulated with the implementation of the City’s Time & Labor system; and

**WHEREAS**, the Parties share an interest in resolving any current or future conflicts over pay practices with the implementation of the Time & Labor system;

**NOW, THEREFORE**, the Parties agree that the following terms and conditions for calculating overtime pay shall supersede current contract language and previously observed practices:

1. Compensatory time used will not be included in the calculation of hours worked for the purpose of reaching overtime thresholds;
2. Approved sick , bereavement, jury duty, paid holidays, and accrued vacation leaves from work will be included in the calculation of hours worked for the purpose of reaching daily or weekly overtime thresholds;
3. Employees may replace compensatory time used with accrued vacation time to meet the weekly overtime threshold. An employee may not use this provision to accrue or increase a negative balance of vacation time. This replacement must be done within the payroll period in which the overtime is worked;

4. Hourly premiums, shift differentials, hazard pay, longevity and any other negotiated pay benefits will be included in the calculation of the employee's "regular rate of pay";
5. All eligible paid leave time, as defined in this Letter of Agreement, is eligible for overtime earnings when the total paid hours within a work week exceeds forty (40) hours, regardless of the sequential order of the applied leave;
6. The Employer shall calculate the regular rate of pay for overtime payments in accordance with the U.S. Department of Labor's guidance on the FLSA;
7. "Seventh day worked" means seven consecutive days of actual work (any day where work is performed for 4 hours or more) independent of the Employer's pay periods;
8. The seventh day worked premium rate of pay of two (2) times the employee's regular hourly rate of pay will be paid for all work performed on the seventh consecutive day of actual work, notwithstanding the timing of pay periods or unscheduled shift changes, except where specifically exempted within other negotiated agreements. The extension of a shift into the next pay day shall not be counted as a separate day of work. Use of any paid time off of more than four (4) hours on any work day within the seven consecutive days is disqualifying for the seventh day worked premium, though the employee remains eligible for the regular time and a half overtime premiums if the work exceeds forty (40) hours in any work week.
9. All seventh day worked premium earnings will be paid in cash; no compensatory time earned will be granted in lieu of cash compensation for this premium.
10. The Parties agree that these terms and conditions will be incorporated as appropriate into individual collective bargaining agreements without further negotiations. Failure to execute or incorporate shall mean the minimum standards of the FLSA shall govern the payment of overtime except for previously negotiated terms or conditions.

**THE PARTIES** have caused this Letter of Agreement to be executed by their duly authorized representatives whose signatures appear below.
