Re: Fulton Neighborhood Association Neighborhood Priority Plan

Dear Mr. Rubedor,

Attached please find a Neighborhood Priority Plan (NPP) from Fulton Neighborhood Association (FNA). We request that this Plan be presented to the NRP Policy Board at its regularly scheduled meeting on March 19, 2013. Two or three representatives of FNA will attend the Policy Board meeting to further present the plan and answer any questions.

This plan proposes promotional support for the Fulton Farmers Market. The Farmers Market has been a high priority for the FNA Board. We propose this project as a way to help solidify the presence and image of the market in the community. We are proud to support an effort that offers residents the opportunity to buy fresh, local produce. FNA also finds it to be a valuable Community Engagement tool as it is a venue where we can reach out to neighbors on a weekly basis.

We presented this proposal to neighborhood residents by a variety of communication methods and advertised a community meeting and vote more than twenty-one days in advance. A community meeting was held on February 13, 2013. At that time, the proposal was presented to the community and further discussion was held. The community voted unanimously to approve the attached NPP Plan. The Board then voted unanimously to accept the community vote and also approved the plan.

FNA continues to solicit suggestions from the neighborhood and may submit additional NPPs as further direction from residents becomes clear.

Thank you for your time and consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jim Tincher'.

Jim Tincher
Fulton Neighborhood Association President
