Dear Mr. Blin,

Thank you for this opportunity to comment on the proposed revisions to the NRP Grievance Policy on behalf of the Columbia Park Neighborhood. Having read the proposed changes we agree with the majority of the revised policy. However, we would like to propose an additional change to Section IV: Grievance Procedures. Under 4) we would recommend that the sentence **Policy Board shall adopt, modify or reject the recommendations of the Grievance Task Force**, should be modified to read, *Policy Board shall adopt, modify or reject the recommendations of the Grievance Task Force and share the substance of the grievances and the policy board's determination with all official neighborhood organizations.*

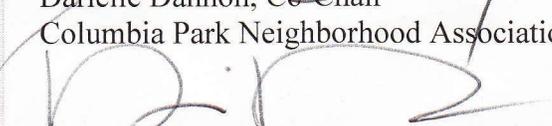

We feel that by adding this phrase, and following it when a Grievance comes to the NRP Board, it will provide the rest of the neighborhood groups the opportunity to alter any ways of doing business or policies that would create a similar grievance in the future. Thank you for your consideration.

Sincerely,

Jane McCarney, Co-Chair,
