## Background

At the March and April meetings Peter Rickmyer addressed the Commission during the Public Comment section of the agenda. This memorandum provides responses to his comments.

## Discussion

At the March 25<sup>th</sup> meeting Mr. Rickmyer asserted that the Neighborhood and Community Relations Department was not applying the correct title of the Americans with Disabilities Act in enforcing requirement of the Act. Director Rubedor has checked with the City Attorney who confirmed that the Department was correctly enforcing the Act.

At the April 22<sup>nd</sup> meeting Mr. Rickmyer stated that he thought persons with disabilities were underrepresented on neighborhood organization boards. This statement has been duly noted.
