Requested Action

Approve the request for proposal for applications to the 2016 One Minneapolis Fund

Background

The One Minneapolis Fund is proposed to open applications for the new funding cycle beginning in February 2016. Applications would be due on April 11, 2016. As in 2015 a total of \$182,000 will be available in the program.

The One Minneapolis Fund Committee met on November 4th to review the request for proposal (RFP). The Committee recommends that the RFP remain largely the same for 2016, with only two changes which are listed below. These changes are also shown on the attached RFP.

- Only one application will be allowed from any organization.
- To provide the majority of the funding to smaller non-profits, a minimum of 75 percent of the total funding will be provided to organizations with total budgets of less than \$1 million.
