RE: Penn Avenue S Reconstruction

Dear Property Owner/Tax Payer,

The City of Minneapolis is preparing to reconstruct Penn Avenue S between Highway 62 and 50th Street W. A location map is on the back of this sheet. The project will include new pavement, curb and gutter, and coordinated utility work. Construction is planned to begin in 2013 for the first half and 2014 for the second half.

A public meeting with adjacent property owners is scheduled for **January 10th at 6:00 PM**. The meeting will be held in the multi-purpose room of the Armatage Recreation Center.

Armatage Recreation Center
2500 57th Street W
Minneapolis, MN 55410

The project is currently in the preliminary design phase. The goal of the meeting is to give Public Works the opportunity to consider your concerns and other input before design decisions are made. Discussion will include parking, biking, boulevard widths and boulevard trees.

I look forward to meeting you and hearing your input on this project. If you have questions and can not attend the meeting, please contact me at (612) 673.2363 or jeff.handeland@minneapolismn.gov.

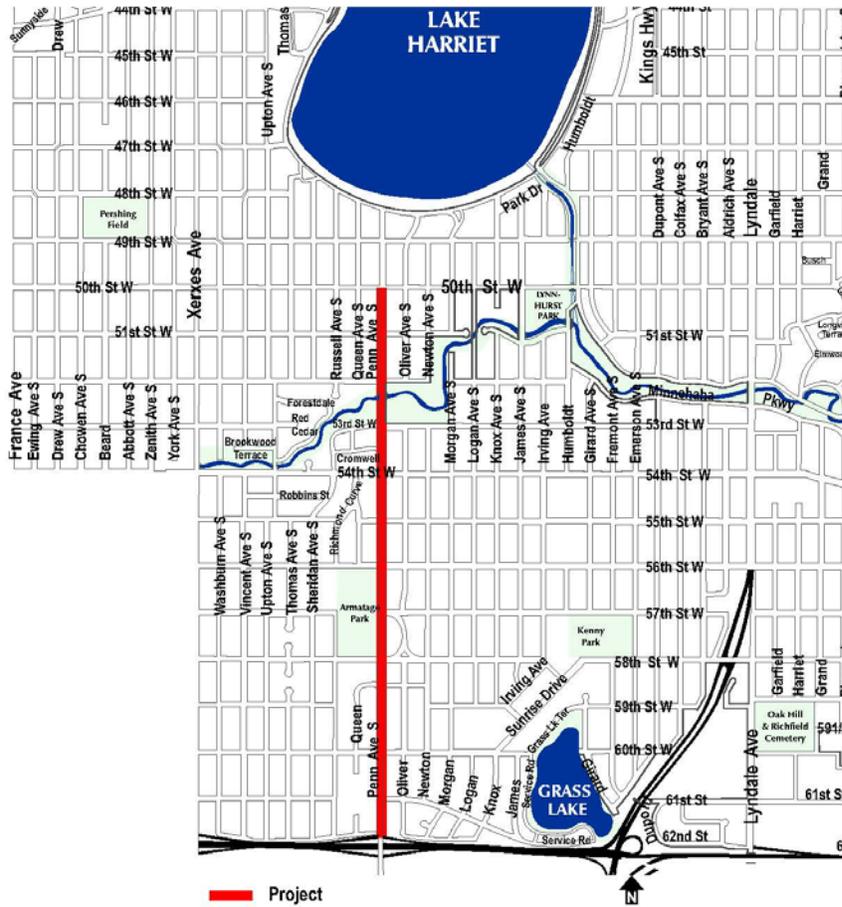

Sincerely,

Jeff Handeland
Project Engineer
