

33rd & Talmage Project Update

No. 23
29 August 2012

SCHEDULE: August 29 to September 5

Talmage Avenue

1. The intersection of Talmage and 33rd Aves is closed for paving operations on 33rd Ave. Access to businesses on 33rd Ave will be from Como Ave and Hennepin Ave.
2. The asphalt binder course has been placed and the street is open to traffic.
3. The final asphalt wearing course will be placed in the fall after work on 33rd Ave is complete.

33rd Avenue

1. The southern portion of 33rd Ave is open to traffic from Como Ave north to Midwest Editions. Traffic to and from Viking Materials, Bolger Printing, Veit and Midwest Editions will be from Como Ave.
2. The intersection of Talmage and 33rd Aves is closed to traffic.
3. The northern portion of 33rd Ave from Hennepin Ave south is open for Twin City Die Casting traffic only. All other traffic should use Talmage Ave or Como Ave.
4. Minnesota Commercial Railroad has completed their track replacement activities at Hawkins Chemical.

ACTIVITIES:

1. Property owners will be contacted to ensure access during construction.
2. Property owners will be contacted by service providers regarding utility work that may affect electric, natural gas and water service.

Please follow all safety directions from construction personnel.

All dates and construction activities are weather dependent.

This update is part of a series of communications to inform stakeholders about the 33rd & Talmage paving project.
